A recording of the presentation should be available on the Company's website at [www.ncsmultistage.com](http://www.ncsmultistage.com) under the Investors section for approximately 90 days following the event.

NCS Multistage Holdings, Inc. is a leading provider of highly engineered products and support services that facilitate the optimization of oil and natural gas well construction, well completions and field development strategies. NCS provides products and services primarily to exploration and production companies for use in onshore and offshore wells, predominantly wells that have been drilled with horizontal laterals in both unconventional and conventional oil and natural gas formations. NCS's products and services are utilized in oil and natural gas basins throughout North America and in selected international markets, including the North Sea, the Middle East, Argentina and China. NCS's common stock is traded on the Nasdaq Capital Market under the symbol "NCSM." Additional information is available on the website, [www.ncsmultistage.com](http://www.ncsmultistage.com).
