(a) Commitment for Letters of Credit. Each of the parties hereto agrees that as of the Closing Date, the Existing Letters of Credit shall be deemed to have been issued and maintained under the US Facility, and shall be governed by the terms and conditions of, this Agreement. Subject to the terms and conditions set forth in this Agreement, the Issuing Lender agrees, in reliance upon the agreements of the other US Facility Lenders set forth in this Section 2.2, from time to time on any Business Day during the period from the Closing Date until the Maturity Date, to issue, increase or extend the expiration date of, Letters of Credit for the account of the US Borrower or any of its Subsidiaries, provided that no Letter of Credit will be issued, increased, or extended:

(i) if such issuance, increase, or extension would cause the Letter of Credit Exposure to exceed the lesser of (A) the Letter of Credit Maximum Amount and (B) an amount equal to the aggregate US Commitments, in either case, in effect at such time minus (2) the sum of the aggregate outstanding amount of all US Advances and Swing Line Advances;

(ii) unless such Letter of Credit has an expiration date not later than the earlier of (A) one year after its issuance or extension and (B) five Business Days prior to the Maturity Date (an "Acceptable Letter of Credit Maturity Date"); provided that, (1) if the US Commitments are terminated in whole pursuant to Section 2.1(c)(i), the US Borrower shall either (A) deposit into the Cash Collateral Account cash in an amount equal to 105% of the Letter of Credit Exposure for the Letters of Credit which have an expiry date beyond the date the US Commitments are terminated or (B) provide a replacement letter of credit (or other security) reasonably acceptable to the US Administrative Agent and the Issuing Lender in an amount equal to 105% of the Letter of Credit Exposure, and (2) any such Letter of Credit with a one-year tenor may expressly provide for an automatic extension of one additional year so long as such Letter of Credit expressly allows the Issuing Lender, at its sole discretion, to elect not to provide such extension; provided that, in any event, such automatic extension may not result in an expiration date that occurs after the fifth Business Day prior to the Maturity Date;

(iii) unless such Letter of Credit is a standby or documentary letter of credit;

(iv) unless such Letter of Credit is in form and substance acceptable to the Issuing Lender in its sole discretion;

(v) unless the US Borrower has delivered to the Issuing Lender a completed and executed Letter of Credit Application; provided that, if the terms of any Letter of Credit Application conflicts or is inconsistent with the terms of this Agreement or any other Credit Document, the terms of this Agreement or such other Credit Document shall control; provided further that, the inclusion in such Letter of Credit Application of terms and provisions, and rights or remedies in favor of the Issuing Lender, which are not addressed in this Agreement or any Credit Document shall not be deemed to be in conflict or inconsistent with this Agreement or any Credit Document;

(vi) unless such Letter of Credit is governed by (A) the Uniform Customs and Practice for Documentary Credits (2007 Revision), International Chamber of Commerce Publication No. 600, or (B) the International Standby Practices (ISP98), International Chamber of Commerce Publication No. 590, in either case, including any subsequent revisions thereof approved by a Congress of the International Chamber of Commerce and adhered to by the Issuing Lender;

(vii) if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Lender from issuing, increasing or extending such Letter of Credit, or any Legal Requirement applicable to the Issuing Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Lender shall prohibit, or request that the Issuing Lender refrain from, the issuance, increase or extension of letters of credit generally or such Letter of Credit in particular or shall impose upon the Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Lender is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Issuing Lender any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Issuing Lender in good faith deems material to it;

(viii) if the issuance, increase or extension of such Letter of Credit would violate one or more policies of the Issuing Lender applicable to letters of credit generally;

(ix) if any US Facility Lender is at such time a Defaulting Lender hereunder, unless the Issuing Lender has entered into reasonably satisfactory arrangements with the US Borrower or such Lender to eliminate the Issuing Lender's risk with respect to such Lender, including to Cash Collateralize such Defaulting Lender's Applicable Pro Rata Share of the Letter of Credit Exposure;

(x) if Letter of Credit is to be denominated in a currency other than Dollars or Canadian Dollars;

(xi) if such Letter of Credit supports the obligations of any Person in respect of (x) a lease of real property or (y) an employment contract if the Issuing Lender reasonably determines that the US Borrower's obligation to reimburse any draws under such Letter of Credit may be limited; or

(xii) if such issuance or increase of such Letter of Credit would cause the aggregate US Outstandings denominated in any Foreign Currency to exceed \$15,000,000.

(b) Requesting Letters of Credit. Each Letter of Credit (other than with respect to the issuance of any Existing Letter of Credit and any extension of any Existing Letter of Credit that occurred prior to the Closing Date) shall be issued or amended, as the case may be, pursuant to a Letter of Credit Application given by the US Borrower to the US Administrative Agent and the Issuing Lender by facsimile or other writing not later than 11:00 a.m. (Houston, Texas, time) on the third Business Day before the proposed date of issuance or amendment for the Letter of Credit. Each Letter of Credit Application shall be fully completed and shall specify the information required therein and shall include the requested Designated Currency of such Letter of Credit. If the US Borrower shall fail to specify a currency for any Letter of Credit, then such Letter of Credit shall be made in Dollars. Each Letter of Credit Application shall be irrevocable and binding on the US Borrower. Subject to the terms and conditions hereof, the Issuing Lender shall before 2:00 p.m. (Houston, Texas, time) on the issuance or amendment date set forth in such Letter of Credit Application issue or amend such Letter of Credit to the beneficiary of such Letter of Credit. Each Letter of Credit shall be issued in the requested Designated Currency.

(c) Reimbursements for Letters of Credit; Funding of Participations.

(i) In the event of any drawing under any Letter of Credit, the Issuing Lender shall promptly notify the US Borrower and the US Administrative Agent. With respect to any Letter of Credit, in accordance with the related Letter of Credit Application, the US Borrower agrees to pay on demand to the US Administrative Agent on behalf of the Issuing Lender an amount equal to any amount paid by the Issuing Lender under such Letter of Credit; provided that, the US Borrower shall pay such amounts on the day of demand if notice of such drawing and demand for payment is prior to 2:00 p.m. (Houston, Texas time) on a Business Day and if such notice is after 2:00 p.m. (Houston, Texas time), the US Borrower shall pay such amounts owed to the Issuing Lender on the following Business Day; provided further that, in any event, such amount paid by the Issuing Lender under such Letter of Credit shall accrue interest at the interest rate applicable to US Advances that are US Base Rate Advances until such amount is reimbursed by the US Borrower (including by receipt of proceeds from US Advances), subject to Section 2.8(f). In the event an Issuing Lender makes a payment pursuant to a request for draw presented under a Letter of Credit and such payment is not promptly reimbursed by the Borrower as required herein, such Issuing Lender shall give notice of such payment to the Administrative Agent (which the Administrative Agent will promptly forward to the US Facility Lenders). Upon the Issuing Lender's demand for payment under the terms of a Letter of Credit Application, the US Borrower may, with a written notice, request that the US Borrower's obligations to the Issuing Lender thereunder be satisfied with the proceeds of a US Advance consisting of (i) for unreimbursed drawings under Letters of Credit denominated in Dollars or in a Foreign Currency which ceased to be a Designated Currency, US Advances that are Base Rate Advances, and (ii) for unreimbursed drawings under Letters of Credit denominated in Foreign Currencies, Eurocurrency Rate Advances in such Foreign Currency and in the amount of such unreimbursed amount with an Interest Period of one month; provided that, if the US Commitments have terminated or otherwise expired, such Eurocurrency Rate Advances shall bear interest at the overnight Eurocurrency Rate, and in any event, notwithstanding any minimum size or increment limitations on individual US Advances. Furthermore if, after the issuance of any Letter of Credit

denominated in a Foreign Currency, such currency ceases to be Designated Currency as provided herein, then all payments to be made by the US Borrower hereunder in such currency shall instead be made when due (either directly by the Borrower or through a deemed borrowing under clause (i) below) in Dollars in an amount equal to the Dollar Equivalent (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrowers take all risks of the imposition of any such currency control or exchange regulations. If the US Borrower does not make such request and does not otherwise make the payments demanded by the Issuing Lender as required under this Agreement or the Letter of Credit Application, then the US Borrower shall be deemed for all purposes of this Agreement to have requested such Advances and the transfer of the proceeds thereof to satisfy the US Borrower's obligations to the Issuing Lender, and the US Borrower hereby unconditionally and irrevocably authorizes, empowers, and directs the US Facility Lenders to make such US Advance, to transfer the proceeds thereof to the Issuing Lender in satisfaction of such obligations, and to record and otherwise treat such payments as a US Advances to the US Borrower. The US Administrative Agent and the US Facility Lenders may record and otherwise treat the making of such Borrowing as the making of a US Borrowing to the US Borrower under this Agreement as if requested by the US Borrower. Nothing herein is intended to release the US Borrower's obligations under any Letter of Credit Application, but only to provide an additional method of payment therefor. The making of any Borrowing under this Section 2.2(c) shall not constitute a cure or waiver of any Default, other than the payment Default which is satisfied by the application of the amounts deemed advanced hereunder, caused by the US Borrower's failure to comply with the provisions of this Agreement or the Letter of Credit Application.

(ii) Each US Facility Lender (including the US Facility Lender acting as the Issuing Lender) shall, upon notice from the US Administrative Agent that the US Borrower has requested a US Advance pursuant to Section 2.4 and regardless of whether (A) the conditions in Section 3.2 have been met, (B) such notice complies with Section 2.4, or (C) a Default exists, make funds available to the US Administrative Agent for the account of the Issuing Lender in an amount equal to such US Facility Lender's US Pro Rata Share of the amount of such US Advance not later than 1:00 p.m. on the Business Day specified in such notice by the US Administrative Agent, whereupon each US Facility Lender that so makes funds available shall be deemed to have made a US Advance to the US Borrower in such amount. The US Administrative Agent shall remit the funds so received to the Issuing Lender.

(iii) If any such US Facility Lender shall not have so made its US Advance available to the US Administrative Agent pursuant to this Section 2.2, such US Facility Lender agrees to pay interest thereon for each day from such date until the date such amount is paid at the lesser of (A) the Overnight Rate for such day for the first three days and thereafter the interest rate applicable to the US Advance and (B) the Maximum Rate. Whenever, at any time after the US Administrative Agent has received from any US Facility Lender such US Facility Lender's US Advance, the US Administrative Agent receives any payment on account thereof, the US Administrative Agent will pay to such US Facility Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such US Facility Lender's US Advance was outstanding and funded), which payment shall be subject to repayment by such US Facility Lender if such payment received by the US Administrative Agent is required to be returned. Each US Facility Lender's obligation to make the US Advance pursuant to this Section 2.2 shall be absolute and unconditional and shall not be affected by any circumstance, including (1) any set-off, counterclaim, recoupment, defense or other right which such US Facility Lender or any other Person may have against the Issuing Lender, the US Administrative Agent or any other Person for any reason whatsoever; (2) the

occurrence or continuance of a Default or the termination of the US Commitments; (3) any breach of this Agreement by any Credit Party or any other US Facility Lender; or (4) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(d) Participations. Upon the date of the issuance or increase of a Letter of Credit or the deemed issuance of the Existing Letters of Credit hereunder, the Issuing Lender shall be deemed to have sold to each other US Facility Lender and each other US Facility Lender shall have been deemed to have purchased from the Issuing Lender a participation in the related Letter of Credit Obligations equal to such US Facility Lender's US Pro Rata Share at such date and such sale and purchase shall otherwise be in accordance with the terms of this Agreement. The Issuing Lender shall promptly notify each such participant US Facility Lender by facsimile, telephone, or electronic mail (PDF) of each Letter of Credit issued or increased and the actual dollar amount of such US Facility Lender's participation in such Letter of Credit. If at any time, the US Commitments shall have expired or shall have been terminated while any Letter of Credit Exposure is outstanding, each US Facility Lender, at the sole option of the Issuing Lender, shall fund its participation in such Letters of Credit in an amount equal to such Lender's Pro Rata Share of the unpaid amount of the US Borrower's payment obligations under drawn Letters of Credit in the currency so paid by the Issuing Lender. The Issuing Lender shall notify the US Administrative Agent, and in turn, the US Administrative Agent shall notify each such US Facility Lender of the amount of such participation, and such US Facility Lender will transfer to the US Administrative Agent for the account of the Issuing Lender on the next Business Day following such notice, in Same Day Funds, the amount of such participation. At any time after Issuing Lender has made a payment under any Letter of Credit and has received from any US Facility Lender funding of its participation in respect of such payment in accordance with this clause (d), if the US Administrative Agent receives for the account of the Issuing Lender any payment in respect of the related Letter of Credit Exposure or interest thereon (whether directly from the US Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the US Administrative Agent), the US Administrative Agent shall distribute to such US Facility Lender its Pro Rata Share thereof in the same funds as those received by the US Administrative Agent.

(e) Obligations Unconditional. The obligations of the US Borrower under this Agreement in respect of each Letter of Credit shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, notwithstanding the following circumstances:

- (i) any lack of validity or enforceability of any Letter of Credit Documents;
- (ii) any amendment or waiver of the obligations of the US Borrower or any consent to departure by the US Borrower from any Letter of Credit Documents;
- (iii) the existence of any claim, set-off, defense or other right which any Credit Party may have at any time against any beneficiary or transferee of such Letter of Credit (or any Persons for whom any such beneficiary or any such transferee may be acting), Issuing Lender, any Lender or any other Person or entity, whether in connection with this Agreement, the transactions contemplated in this Agreement or in any Letter of Credit Documents or any unrelated transaction;
- (iv) any statement or any other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect to the extent Issuing Lender would not be liable therefor pursuant to the following paragraph (g);

(v) payment by the Issuing Lender under such Letter of Credit against presentation of a draft or certificate which does not comply with the terms of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing;

provided, however, that nothing contained in this paragraph (e) shall be deemed to constitute a waiver of any remedies of the US Borrower in connection with the Letters of Credit.

(f) Prepayments of Letters of Credit. In the event that any Letter of Credit shall be outstanding or shall be drawn and not reimbursed on or prior to the fifth Business Day prior to the Maturity Date (or on the Maturity Date in the event the Maturity Date occurs as a result of the optional termination in whole of the US Commitments pursuant to Section 2.1(c)), the US Borrower shall pay to the US Administrative Agent an amount equal to 105% of the Letter of Credit Exposure allocable to such Letter of Credit and in the applicable currency of such Letter of Credit, such amount to be due and payable on the fifth Business Day prior to the Maturity Date (or on the Maturity Date in the event the Maturity Date occurs as a result of the optional termination in whole of the US Commitments pursuant to Section 2.1(c)), and to be held in the Cash Collateral Account and applied in accordance with paragraph (h) below. From time to time thereafter, upon written notice by the US Administrative Agent that, as a result of a change in the Agent's Exchange Rate, the amount held in the Cash Collateral Account is less than the sum of (i) 105% of the Letter of Credit Exposure allocable to such Letters of Credit and (ii) the amount otherwise required to be held in such Cash Collateral Account pursuant to the terms of this Agreement, then the US Borrower shall, within one Business Day after such notice is received, deposit additional funds into the Cash Collateral Account in an amount equal to such deficiency.

(g) Liability of Issuing Lender. The US Borrower assumes all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither the Issuing Lender nor any of its officers or directors shall be liable or responsible for:

(i) the use which may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith;

(ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged;

(iii) payment by the Issuing Lender against presentation of documents which do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the relevant Letter of Credit;

(iv) any adverse change in the relevant exchange rates or in the availability of the relevant Foreign Currency to the US Borrower or in the relevant currency markets generally; or

(v) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit (**INCLUDING ISSUING LENDER'S OWN NEGLIGENCE**),

except that the US Borrower shall have a claim against the Issuing Lender, and the Issuing Lender shall be liable to, and shall promptly pay to, the US Borrower, to the extent of any direct, as opposed to consequential, damages suffered by the US Borrower which a court in a final, non-appealable finding rules were caused by the Issuing Lender's willful misconduct or gross negligence in determining whether

documents presented under a Letter of Credit comply with the terms of such Letter of Credit. In furtherance and not in limitation of the foregoing, the Issuing Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

(h) Cash Collateral Account.

(i) If the US Borrower is required to deposit funds in the Cash Collateral Account pursuant to Section 2.2(a)(ii), 2.2(f), 7.2(c) or 7.3(b) or any other provision under this Agreement, then the US Borrower and the US Administrative Agent shall establish the Cash Collateral Account and the US Borrower shall execute any documents and agreements, including the US Administrative Agent's standard form assignment of deposit accounts, that the US Administrative Agent reasonably requests in connection therewith to establish the Cash Collateral Account and grant the US Administrative Agent an Acceptable Security Interest in such account and the funds therein. The US Borrower hereby pledges to the US Administrative Agent and grants the US Administrative Agent a security interest in the Cash Collateral Account, whenever established, all funds held in the Cash Collateral Account from time to time, and all proceeds thereof as security for the payment of the applicable Secured Obligations.

(ii) Funds held in the Cash Collateral Account shall be held as Cash Collateral for obligations with respect to Letters of Credit or outstanding Swing Line Advances, as applicable, and promptly applied by the US Administrative Agent at the request of the Issuing Lender or applicable Swing Line Lender to any reimbursement or other obligations under Letters of Credit that exist or occur and to any outstanding Swing Line Advances, as applicable. To the extent that any surplus funds are held in the Cash Collateral Account above the Letter of Credit Exposure and the outstanding amount of the Swing Line Advances during the existence of an Event of Default the US Administrative Agent may (A) hold such surplus funds in the Cash Collateral Account as Cash Collateral for the applicable Secured Obligations or (B) apply such surplus funds to any Secured Obligations in any manner directed by the US Majority Lenders. If no Event of Default exists, then at the US Borrower's request, the US Administrative Agent shall release any surplus funds held in the Cash Collateral Account above the sum of (x) the Letter of Credit Exposure (or in the case of any Letter of Credit with an expiration date beyond the fifth Business Day prior to the Maturity Date, 105% of the Letter of Credit Exposure allocable to such Letter of Credit) and (y) all Defaulting Lenders' Applicable Pro Rata Share of outstanding Swing Line Advances other than Swing Line Advances as to which such Defaulting Lender's participation obligation has been funded by it, Cash Collateralized or reallocated to other Lenders.

(iii) Funds held in the Cash Collateral Account may be invested in Liquid Investments maintained with, and under the sole dominion and control of, the US Administrative Agent or in another investment if mutually agreed upon by the US Borrower and the US Administrative Agent, but the US Administrative Agent shall have no obligation to make any investment of the funds therein. The US Administrative Agent shall exercise reasonable care in the custody and preservation of any funds held in the Cash Collateral Account and shall be deemed to have exercised such care if such funds are accorded treatment substantially equivalent to that which the US Administrative Agent accords its own property, it being understood that the US Administrative Agent shall not have any responsibility for taking any necessary steps to preserve rights against any parties with respect to any such funds.

(i) Letters of Credit Issued for Guarantors or any Subsidiary. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Guarantor or any Subsidiary, the US Borrower shall be obligated to reimburse the Issuing Lender hereunder for any and all drawings under such Letter of Credit issued hereunder by the Issuing Lender. The US Borrower hereby acknowledges that the issuance of Letters of Credit for the account of any Guarantor, the US Borrower or any Subsidiary inures to the benefit of the US Borrower, and that the US Borrower's businesses (indirectly or directly) derive substantial benefits from the businesses of such other Persons.

Section 2.3. Swing Line Advances.

(a) Facility. On the terms and conditions set forth in this Agreement, and if an AutoBorrow Agreement is in effect, subject to the terms and conditions of such AutoBorrow Agreement, the Swing Line Lender may (but is not obligated to), in its sole discretion, from time-to-time on any Business Day during the period from the date of this Agreement until the last Business Day occurring before the Maturity Date, make Swing Line Advances to the US Borrower which shall be due and payable as provided in Section 2.6(c) and bear interest as provided in Section 2.8(c), and in an aggregate outstanding principal amount not to exceed the Swing Line Sublimit Amount at any time; provided that (i) after giving effect to such Swing Line Advance, the sum of the aggregate outstanding amount of all US Advances plus the Letter of Credit Exposure plus the aggregate outstanding amount of all Swing Line Advances, shall not exceed the aggregate US Commitments in effect at such time; (ii) no Swing Line Advance shall be made by the Swing Line Lender if the conditions set forth in Section 3.2 have not been met as of the date of such Swing Line Advance, it being agreed by the US Borrower that the giving of the applicable Notice of US Borrowing and the acceptance by the US Borrower of the proceeds of such Swing Line Advance shall constitute a representation and warranty by the US Borrower that on the date of such Swing Line Advance such conditions have been met; (iii) only if an AutoBorrow Agreement is not in effect, each Swing Line Advance shall be in an aggregate amount not less than \$100,000 and in integral multiples of \$50,000 in excess thereof; and (iv) if an AutoBorrow Agreement is in effect, such additional terms and conditions of such AutoBorrow Agreement shall have been satisfied, and in the event that any of the terms of this Section 2.3(a) conflict with such AutoBorrow Agreement, the terms of the AutoBorrow Agreement shall govern and control. No Lender shall have any rights or obligations under any AutoBorrow Agreement, but each US Facility Lender shall have the obligation to purchase and fund risk participations in the Swing Line Advances and to refinance Swing Line Advances as provided below.

(b) Prepayment. Within the limits expressed in this Agreement, amounts advanced pursuant to Section 2.3(a) may from time to time be borrowed, prepaid without penalty, and reborrowed. If the aggregate outstanding principal amount of the Swing Line Advances ever exceeds the Swing Line Sublimit Amount, the US Borrower shall, upon receipt of written notice of such condition from the Swing Line Lender and to the extent of such excess, prepay to the Swing Line Lender outstanding principal of the Swing Line Advances such that such excess is eliminated. If an AutoBorrow Agreement is in effect, each prepayment of a Swing Line Borrowing shall be made as provided in such AutoBorrow Agreement.

(c) Reimbursements for Swing Line Obligations.

(i) With respect to the Swing Line Advances and the interest, premium, fees, and other amounts owed by the US Borrower to the Swing Line Lender in connection with the Swing Line Advances, the US Borrower agrees to pay to the Swing Line Lender such amounts when due and payable to the Swing Line Lender under the terms of this Agreement and, if an AutoBorrow Agreement is in effect, in accordance with the terms of such AutoBorrow Agreement. If the US Borrower does not pay to the Swing Line Lender any such amounts when due and payable to the

Swing Line Lender, the Swing Line Lender may upon notice to the US Administrative Agent request the satisfaction of such obligation by the making of a US Borrowing in the amount of any such amounts not paid when due and payable. Upon such request, the US Borrower shall be deemed to have requested the making of a US Borrowing in the amount of such obligation and the transfer of the proceeds thereof to the Swing Line Lender (and with respect to Swing Line Advances denominated in Dollars, the deemed requested US Borrowing shall consist of Eurocurrency Advances with an Interest Period of one month, commencing three Business Days following such request). The US Administrative Agent shall promptly forward notice of such US Borrowing to the US Borrower and the US Facility Lenders, and each US Facility Lender shall, regardless of whether (A) the conditions in Section 3.2 have been met, (B) such notice complies with Section 2.4, or (C) a Default exists, make available such US Facility Lender's US Pro Rata Share of such US Borrowing to the US Administrative Agent, and the US Administrative Agent shall promptly deliver the proceeds thereof to the Swing Line Lender for application to such amounts owed to the Swing Line Lender. The US Borrower hereby unconditionally and irrevocably authorizes, empowers, and directs the Swing Line Lender to make such requests for US Borrowings on behalf of the US Borrower, and the US Facility Lenders to make US Advances to the US Administrative Agent for the benefit of the Swing Line Lender in satisfaction of such obligations. The US Administrative Agent and each US Facility Lender may record and otherwise treat the making of such US Borrowings as the making of a US Borrowing to the US Borrower under this Agreement as if requested by the US Borrower. Nothing herein is intended to release the US Borrower's obligations under the Swing Line Note, but only to provide an additional method of payment therefor. The making of any Borrowing under this Section 2.3(c) shall not constitute a cure or waiver of any Default or Event of Default, other than the payment Default or Event of Default which is satisfied by the application of the amounts deemed advanced hereunder, caused by the US Borrower's failure to comply with the provisions of this Agreement or the Swing Line Note.

(ii) If at any time the US Commitments shall have expired or be terminated while any Swing Line Advance is outstanding, each US Facility Lender, at the sole option of the Swing Line Lender, shall either (A) notwithstanding the expiration or termination of the US Commitments, make a US Advance as a Base Rate Advance, or (B) be deemed, without further action by any Person, to have purchased from the Swing Line Lender a participation in such Swing Line Advance, in either case in an amount equal to the product of such US Facility Lender's US Pro Rata Share times the outstanding aggregate principal balance of the Swing Line Advances. The US Administrative Agent shall notify each such US Facility Lender of the amount of such US Advance or participation, and such US Facility Lender will transfer to the US Administrative Agent for the account of the Swing Line Lender on the next Business Day following such notice, in Same Day Funds, the amount of such US Advance or participation.

(iii) If any such US Facility Lender shall not have so made its US Advance or its percentage participation available to the US Administrative Agent pursuant to this Section 2.3, such US Facility Lender agrees to pay interest thereon for each day from such date until the date such amount is paid at the lesser of (A) the Overnight Rate for such day for the first three days and thereafter the interest rate applicable to the US Advance and (B) the Maximum Rate. Whenever, at any time after the US Administrative Agent has received from any US Facility Lender such US Facility Lender's US Advance or participating interest in a Swing Line Advance, the US Administrative Agent receives any payment on account thereof, the US Administrative Agent will pay to such US Facility Lender its participating interest in such amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such US Facility Lender's US Advance or participating interest was outstanding and funded), which

payment shall be subject to repayment by such US Facility Lender if such payment received by the US Administrative Agent is required to be returned. Each US Facility Lender's obligation to make the US Advance or purchase such participating interests pursuant to this Section 2.3 shall be absolute and unconditional and shall not be affected by any circumstance, including (1) any set-off, counterclaim, recoupment, defense or other right which such US Facility Lender or any other Person may have against the Swing Line Lender, the US Administrative Agent or any other Person for any reason whatsoever; (2) the occurrence or continuance of a Default or the termination of the US Commitments; (3) any breach of this Agreement by the US Borrower or any other Lender; or (4) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. Each Swing Line Advance, once so participated by any US Facility Lender, shall cease to be a Swing Line Advance with respect to that amount for purposes of this Agreement, but shall continue to be a US Advance.

(d) Method of Borrowing. If an AutoBorrow Agreement is in effect, each Swing Line Borrowing shall be made as provided in such AutoBorrow Agreement. Otherwise, and except as provided in clause (c) above, each request for a Swing Line Advance shall be made pursuant to telephone notice to the Swing Line Lender given no later than 10:00 a.m. (Houston, Texas time) for Swing Line Advances denominated in Dollars, in each case on the date of the proposed Swing Line Advance, promptly confirmed by a completed and executed Notice of US Borrowing telecopied, facsimiled, or, unless otherwise required by the US Administrative Agent or Swing Line Lender prior to such delivery, electronic mail (PDF), to the US Administrative Agent and the Swing Line Lender. The Swing Line Lender will promptly make the Swing Line Advance available to the US Borrower at its account with the US Administrative Agent.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the US Borrower for interest on the Swing Line Advances (provided that any failure of the Swing Line Lender to provide such invoice shall not release the US Borrower from its obligation to pay such interest). Until each US Facility Lender funds its US Advance or risk participation pursuant to clause (c) above, interest in respect of such US Facility Lender's US Pro Rata Share of the Swing Line Advances shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The US Borrower shall make all payments of principal and interest in respect of the Swing Line Advances directly to the Swing Line Lender.

(g) Discretionary Nature of the Swing Line Facility. Notwithstanding any terms to the contrary contained herein or in any AutoBorrow Agreement, the swing line facility provided herein or in any AutoBorrow Agreement (i) is an uncommitted facility and the Swing Line Lender may, but shall not be obligated to, make Swing Line Advances, and (ii) may be terminated at any time by the Swing Line Lender upon written notice to the US Borrower.

Section 2.4. Advances.

(a) Notice. Each Borrowing (other than the Swing Line Borrowings), shall be made pursuant to the applicable Notice of Borrowing given not later than:

(i) 11:00 a.m. (Houston, Texas time) on the third Business Day before the date of the proposed Borrowing, in the case of a Eurocurrency Advance denominated in Dollars,

(ii) 11:00 a.m. (Houston, Texas time) on the fourth Business Day before the date of the proposed Borrowing, in the case of a Eurocurrency Advance denominated in any Foreign Currency or a B/A Advance,

(iii) 11:00 a.m. (Houston, Texas time) on the Business Day before the date of the proposed Borrowing, in the case of a US Base Rate Advance,

(iv) 10:00 am (Houston, Texas time) on the Business Day before the date of the proposed Borrowing, in the case of a Canadian (US) Base Rate Advance or Canadian (Cdn) Base Rate Advance,

in each case, by the applicable Borrower to the applicable Administrative Agent, which shall give to each Lender under the applicable Facility prompt notice of such proposed Borrowing, by facsimile, electronic mail or telex. Each Notice of Borrowing shall be by facsimile, telex or electronic mail (and if by electronic mail, via any “.pdf” or other similar electronic means), confirmed promptly by the applicable Borrower with a hard copy (other than with respect to notice sent by facsimile or electronic mail), specifying (i) the requested date of such Borrowing, (ii) the requested Type and Class of Advances comprising such Borrowing, (iii) the aggregate amount of such Borrowing, (iv) if such Borrowing is to be comprised of Eurocurrency Advances, specifying the requested Interest Period for each such Advance, (v) if such Borrowing is to be comprised of B/A Advances, the Contract Period for each such Advance, (vi) the applicable Borrower requesting such Borrowing, and (vii) the Designated Currency of such Borrowing. In the case of a proposed Borrowing comprised of Eurocurrency Advances, the US Administrative Agent or Canadian Administrative Agent, as applicable, shall promptly notify each US Facility Lender or each Canadian Facility Lender, as applicable, of the applicable interest rate under Section 2.8(b). Each applicable Lender shall, before 11:00 a.m. (Houston, Texas time) on the date of such Borrowing, make available for the account of its applicable Lending Office to the applicable Administrative Agent at its address referred to in Section 9.9, or such other location as the applicable Administrative Agent may specify by notice to the Lenders, in Same Day Funds, such Lender’s Applicable Pro Rata Share of such Borrowing. After the applicable Administrative Agent’s receipt of such funds and upon fulfillment of the applicable conditions set forth in Article 3, the applicable Administrative Agent will make such funds available to the applicable Borrower at its account with the applicable Administrative Agent or as otherwise directed by the applicable Borrower with written notice to the applicable Administrative Agent.

(b) Conversions and Continuations. In order to elect to Convert or continue a US Advance or a Canadian Advance under this paragraph, the applicable Borrower shall deliver an irrevocable Notice of Continuation or Conversion to the applicable Administrative Agent at the applicable Administrative Agent’s office (A) no later than 11:00 a.m. (Houston, Texas time) (i) on the Business Day before the date of the proposed Conversion date in the case of a Conversion to a US Base Rate Advance, (ii) on the Business Day before the date of the proposed Conversion date in the case of a Conversion to a Canadian (US) Base Rate Advance, (iii) at least three Business Days in advance of the proposed Conversion or continuation date in the case of a Conversion to, or a continuation of, a Eurocurrency Advance or a B/A Advance and (B) no later than 10:00 a.m. (Houston, Texas time) on the Business Day before the date of the proposed Conversion date in the case of a Conversion to a Canadian (Cdn) Base Rate Advance. Each such Notice of Conversion or Continuation shall be in writing or by telephone, telex or facsimile confirmed promptly by the applicable Borrower with a hard copy (other than with respect to notice sent by facsimile), specifying (i) the requested Conversion or continuation date (which shall be a Business Day), (ii) the amount, Type and Class of the Advance to be Converted or continued, (iii) whether a Conversion or continuation is requested and, if a Conversion, into what Type of Advance, (iv) in the case of a Conversion to, or a continuation of, a Eurocurrency Advance, the requested Interest Period and (v) in

the case of a Conversion to, or a continuation of, a B/A Advance, the requested Contract Period. Promptly after receipt of a Notice of Continuation or Conversion under this paragraph, the applicable Administrative Agent shall provide each Lender with a copy thereof and, in the case of a Conversion to or a continuation of a Eurocurrency Advance, notify each Lender of the applicable interest rate under Section 2.8(b). The portion of Advances comprising part of the same Borrowing that are Converted to Advances of another Type shall constitute a new Borrowing.

(c) Certain Limitations. Notwithstanding anything in paragraphs (a) and (b) above:

(i) at no time shall there be more than seven Interest Periods applicable to outstanding Eurocurrency Advances nor more than five Contract Periods applicable to B/A Advances;

(ii) no single Borrowing consisting of Eurocurrency Advances may include Advances in different currencies;

(iii) no Borrower may select Eurocurrency Advances or B/A Advances for any Borrowing to be made or continued, or Convert any Advance into a Eurocurrency Advance or B/A Advance, in any event, at any time when an Event of Default has occurred and is continuing;

(iv) if the applicable Administrative Agent is unable to determine the Eurocurrency Rate for Advances comprising any requested Borrowing or the Discount Rate for B/A Advances comprising any requested Borrowing, the right of the Borrowers to select Eurocurrency Advances or B/A Advances for such Borrowing or for any subsequent Borrowing denominated in such affected currency shall be suspended until the applicable Administrative Agent shall notify the US Borrower and the Lenders that the circumstances causing such suspension no longer exist, and each Advance comprising such Borrowing shall be made as a US Base Rate Advance in the case of a requested Eurocurrency Advance under the US Facility, Canadian (Cdn) Base Rate Advance in the case of a requested B/A Advance, and Canadian (US) Base Rate Advance in the case of a requested Eurocurrency Advance under the Canadian Facility, as applicable;

(v) if the US Majority Lenders shall, at least one Business Day before the date of any requested Borrowing, notify the US Administrative Agent that (A) the Eurocurrency Rate for Eurocurrency Advances comprising such Borrowing will not adequately reflect the cost to such Lenders of making or funding their respective Eurocurrency Advances for such Borrowing, or (B) deposits are not being offered to banks in the applicable offshore interbank market for the affected currency for the applicable amount and Interest Period of such Eurocurrency Advance, then the US Administrative Agent shall give notice thereof to the US Borrower and the US Facility Lenders and the right of the US Borrower to select Eurocurrency Advances in the affected currency for such Borrowing or for any subsequent Borrowing shall be suspended until the US Administrative Agent shall notify the US Borrower and the US Facility Lenders that the circumstances causing such suspension no longer exist, and each Advance comprising such Borrowing shall be made as a US Base Rate Advance;

(vi) if the Canadian Majority Lenders shall, at least one Business Day before the date of any requested Borrowing, notify the Canadian Administrative Agent that (A) the Eurocurrency Rate for Eurocurrency Advances comprising such Borrowing will not adequately reflect the cost to such Lenders of making or funding their respective Eurocurrency Advances for such Borrowing, or (B) deposits are not being offered to banks in the applicable offshore interbank market for Dollars for the applicable amount and Interest Period of such Eurocurrency Advance,

then the Canadian Administrative Agent shall give notice thereof to the Canadian Borrower and the Canadian Facility Lenders and the right of the Canadian Borrower to select Eurocurrency Advances for such Borrowing or for any subsequent Borrowing shall be suspended until the Canadian Administrative Agent shall notify the Canadian Borrower and the Canadian Facility Lenders that the circumstances causing such suspension no longer exist, and each Advance comprising such Borrowing shall be made as a Canadian (US) Base Rate Advance;

(vii) if the Canadian Majority Lenders shall, at least one Business Day before the date of any requested Borrowing, notify the Canadian Administrative Agent that (A) the Discount Rate for the B/A Advances comprising such Borrowing will not adequately reflect the cost to such Canadian Facility Lenders of making or funding their respective B/A Advances, as the case may be, for such Borrowing, or (B) deposits are not being offered to banks in the applicable offshore interbank market for the affected currency for the applicable amount and Contract Period of such B/A Advances, then the Canadian Administrative Agent shall give notice thereof to the Canadian Borrower and the Canadian Facility Lenders and the right of the Canadian Borrower to select B/A Advances for such Borrowing or for any subsequent Borrowing shall be suspended until the Canadian Administrative Agent shall notify the Canadian Borrower and the Canadian Facility Lenders that the circumstances causing such suspension no longer exist, and each Advance comprising such Borrowing shall be made as a Canadian (Cdn) Base Rate Advance;

(viii) (x) if the US Borrower shall fail to specify a currency for any Advance, then such Eurocurrency Advance or Base Rate Advance, as requested, shall be made in Dollars, and (y) in any event, Eurocurrency Advances under the Canadian Facility may only be requested in Dollars;

(ix) except as expressly permitted in this Agreement, no Advance may be Converted or continued as an Advance in a different currency, but instead must be prepaid in the original currency of such Advance and reborrowed in such new currency;

(x) if a Canadian Borrower shall fail to select the Type of Advance, such Advance shall be made as a Canadian (Cdn) Base Rate Advance or Canadian (US) Base Rate Advance depending on which Designated Currency has been selected by the Canadian Borrower (and if no such Designated Currency is selected, then as Canadian (US) Base Rate Advances);

(xi) if the US Borrower shall fail to select the Type of Advance, such Advance shall be made as a US Base Rate Advance and if the US Borrower specifies a Eurocurrency Advance but shall fail to select the duration or continuation of any Interest Period for any Eurocurrency Advances in accordance with the provisions contained in the definition of Interest Period in Section 1.1 and paragraphs (a) and (b) above, the US Administrative Agent will forthwith so notify the US Borrower and the US Facility Lenders and such Advances will be made available to the US Borrower on the date of such Borrowing as US Base Rate Advances or, if an existing Advance, Convert into US Base Rate Advances;

(xii) if the Canadian Borrower shall fail to select the duration or continuation of any Contract Period for any B/A Advance in accordance with the provisions contained in the definition of Contract Period in Section 1.1, paragraphs (a) and (b) above, and Section 2.18, the Canadian Administrative Agent will forthwith so notify the Canadian Borrower and the Lenders and such affected B/A Advances will be made available to the Canadian Borrower on the date of such Borrowing as Canadian (Cdn) Base Rate Advances or, if such affected B/A Advances are existing Advances, will be automatically Converted into Canadian (Cdn) Base Rate Advances at the end of the Contract Period then in effect; and

(xiii) Canadian Borrower may not select B/A Advances for any Borrowing to be made without the consent of each Canadian Facility Lender.

(d) Notices Irrevocable. Each Notice of Borrowing and Notice of Continuation or Conversion delivered by the applicable Borrower hereunder, including its deemed request for Borrowings made under Section 2.2(c) or Section 2.3(c), shall be irrevocable and binding on such Borrower.

(e) Administrative Agent Reliance. Unless the applicable Administrative Agent shall have received notice from a Lender before the date of any US Borrowing or Canadian Borrowing that such Lender will not make available to the applicable Administrative Agent such Lender's Applicable Pro Rata Share of any Borrowing, the applicable Administrative Agent may assume that such Lender has made its Applicable Pro Rata Share of such Borrowing available to the applicable Administrative Agent on the date of such Borrowing in accordance with Section 2.4(a) (or, in the case of a Borrowing of B/A Advances, that such Lender has made such share available in accordance with and at the time required by Section 2.18), and the applicable Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made its Applicable Pro Rata Share of such Borrowing available to the applicable Administrative Agent, such Lender and the applicable Borrower severally agree to immediately repay to the applicable Administrative Agent on demand such corresponding amount, together with interest on such amount, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the applicable Administrative Agent, at (i) in the case of such Borrower, the interest rate applicable on such day to Advances comprising such Borrowing and (ii) in the case of such Lender, the lesser of (A) the Overnight Rate for such day and (B) the Maximum Rate. If such Lender shall repay to the applicable Administrative Agent such corresponding amount and interest as provided above, such corresponding amount so repaid shall constitute such Lender's Advance as part of such Borrowing for purposes of this Agreement even though not made on the same day as the other Advances comprising such Borrowing.

Section 2.5. Prepayments.

(a) Right to Prepay; Ratable Prepayment. No Borrower shall have any right to prepay any principal amount of any Advance except as provided in this Section 2.5 and as otherwise provided in this Agreement and all notices given pursuant to this Section 2.5 shall be irrevocable and binding upon the Borrowers; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.1, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.1. Each payment of any Advance pursuant to this Section 2.5 shall be made in a manner such that all Advances comprising part of the same Borrowing are paid in whole or ratably in part other than Advances owing to a Defaulting Lender as provided herein.

(b) Optional. The Borrowers may elect to prepay any of the Advances (other than Bankers' Acceptances or B/A Equivalent Advances) without penalty or premium except as set forth in Section 2.10 and after giving by 11:00 a.m. (Houston, Texas time) (i) in the case of Eurocurrency Advances in any Foreign Currency, at least four Business Days', (ii) in the case of Eurocurrency Advances in any Dollars, at least three Business Days', and (iii) in case of Base Rate Advances, one Business Day's prior written notice to the applicable Administrative Agent stating the proposed date and aggregate principal amount of such prepayment, which notice shall be in the form of a duly executed and completed Notice of Optional Payment. If any such notice is given, the applicable Borrower shall prepay Advances comprising part of the same Borrowing in whole, or ratably in part to each relevant Lender, in an aggregate principal amount equal to the amount specified in such notice, together with accrued interest to the date of such prepayment

on the principal amount prepaid and amounts, if any, required to be paid pursuant to Section 2.10 as a result of such prepayment being made on such date; provided that (A) each optional prepayment of Eurocurrency Advances shall be in a minimum amount not less than \$500,000 and in multiple integrals of \$100,000 in excess thereof, (B) each optional prepayment of Canadian (US) Base Rate Advances or US Base Rate Advances shall be in a minimum amount not less than \$500,000 and in multiple integrals of \$50,000 in excess thereof, (C) each optional prepayment of Canadian (Cdn) Base Rate Advances shall be in a minimum amount not less than C\$500,000 and in multiple integrals of C\$50,000 in excess thereof, and (D) only if an AutoBorrow Agreement is not in effect, each optional prepayment of Swing Line Advances shall be in a minimum amount not less than \$100,000 and in multiple integrals of \$50,000 in excess thereof. If an AutoBorrow Agreement is in effect, each prepayment of Swing Line Advances shall be made as provided in such AutoBorrow Agreement. Any prepayment made pursuant to this clause (b)(i) shall be applied as the applicable Borrower may direct in their sole discretion.

(c) Mandatory.

(i) If an increase in the aggregate US Commitments is effected as permitted under Section 2.17, the US Borrower shall prepay any US Advances outstanding on the date such increase is effected to the extent necessary to keep the outstanding US Advances ratable to reflect the revised US Pro Rata Shares of the US Facility Lenders arising from such increase. Any prepayment of US Advances required to be made by the US Borrower under this clause (i) shall be deemed to have been made with the proceeds of US Advances made by all the US Facility Lenders in connection with such increase occurring simultaneously with the prepayment.

(ii) If an increase in the aggregate Canadian Commitments is effected as permitted under Section 2.17, the Canadian Borrower shall prepay (or defease, as applicable) any Canadian Advances outstanding on the date such increase is effected to the extent necessary to keep the outstanding Canadian Advances ratable to reflect the revised Canadian Pro Rata Shares of the Canadian Facility Lenders arising from such increase. Any prepayment of Canadian Advances (other than B/A Advances) required to be made by the Canadian Borrower under this clause (ii) shall be deemed to have been made with the proceeds of Canadian Advances made by all the Canadian Facility Lenders in connection with such increase occurring simultaneously with the prepayment.

(iii) If, on any Computation Date, the US Outstandings exceed the aggregate US Commitments then in effect, then the US Administrative Agent shall give notice thereof to the US Borrower and the US Facility Lenders. Within two Business Days after the US Borrower has received notice thereof, the US Borrower shall, to the extent of such excess, first prepay to the Swing Line Lender the outstanding principal amount of the Swing Line Advances, second, prepay (or defease, as applicable) to the US Facility Lenders on a pro rata basis the outstanding principal amount of the US Advances and, third, make deposits into the Cash Collateral Account to provide Cash Collateral in the amount of such excess for the Letter of Credit Exposure.

(iv) If, on any Computation Date, the Canadian Outstandings exceed the aggregate Canadian Commitments then in effect, then the Canadian Administrative Agent shall give notice thereof to the Canadian Borrower and the Canadian Facility Lenders. Within two Business Days after the Canadian Borrower has received notice thereof, the Canadian Borrower shall, to the extent of such excess, prepay (or defease, as applicable) to the Canadian Facility Lenders on a pro rata basis the outstanding principal amount of the Canadian Advances.

(d) Interest; Costs; Defeasance. Each prepayment pursuant to this Section 2.5 shall be accompanied by accrued interest (other than as permitted in Section 2.5(b)) on the amount prepaid to the date of such prepayment and amounts, if any, required to be paid pursuant to Section 2.10 as a result of such prepayment being made on such date. To the extent required as a mandatory prepayment under Section 2.5(c) above, the Canadian Borrower shall defease any B/A or B/A Equivalent Advance prior to the expiry of the applicable Contract Period by depositing with the Canadian Administrative Agent an amount that, together with interest accruing on such amount to the end of the Contract Period for such B/A or B/A Equivalent Advance, is sufficient to pay such maturing B/As or B/A Equivalent Advances when due.

(e) Application of Prepayments. Notwithstanding anything to the contrary contained herein, mandatory prepayments of Advances required by Section 2.5(c)(i) will be applied first to Base Rate Advances, then to Eurocurrency Advances on a pro rata basis, and then to defease B/A Advances.

Section 2.6. Repayment.

(a) US Advances. The US Borrower shall pay to the US Administrative Agent for the ratable benefit of each US Facility Lender the aggregate outstanding principal amount of the US Advances on the Maturity Date.

(b) Canadian Advances. The Canadian Borrower shall pay to the Canadian Administrative Agent for the ratable benefit of each Canadian Facility Lender the aggregate outstanding principal amount of the Canadian Advances on the Maturity Date.

(c) Swing Line Advances. The US Borrower shall pay to the Swing Line Lender the aggregate outstanding principal amount of the Swing Line Advances on each Swing Line Payment Date.

Section 2.7. Fees.

(a) Commitment Fees.

(i) The US Borrower agrees to pay to the US Administrative Agent for the account of each US Facility Lender a Commitment Fee equal to the Applicable Margin on the average daily amount by which such US Facility Lender's US Commitment exceeds the sum of (A) such US Facility Lender's outstanding US Advances plus (B) such US Facility Lender's US Pro Rata Share of the Letter of Credit Exposure, at the rate equal to the Applicable Margin for Commitment Fees for such period. Such Commitment Fee is due quarterly in arrears on March 31, June 30, September 30, and December 31 of each year commencing on June 30, 2017, and on the Maturity Date. For purposes of this Section 2.7(a) only, outstanding Swing Line Advances shall not reduce the amount of unused US Commitments.

(i) The Canadian Borrower agrees to pay to the Canadian Administrative Agent for the account of each Canadian Facility Lender a Commitment Fee equal to the Applicable Margin on the average daily amount by which such Canadian Facility Lender's Canadian Commitment exceeds the sum of such Canadian Facility Lender's outstanding Canadian Advances, at the rate equal to the Applicable Margin for Commitment Fees for such period. Such Commitment Fee is due quarterly in arrears on March 31, June 30, September 30, and December 31 of each year commencing on June 30, 2017, and on the Maturity Date.

(b) Fees for Letters of Credit. The US Borrower agrees to pay the following:

(i) To the US Administrative Agent for the pro rata benefit of the US Facility Lenders a per annum letter of credit fee for each Letter of Credit issued hereunder, in the currency of such Letter of Credit, for the period such Letter of Credit is outstanding, in an amount equal to the greater of (A) an amount equal to the Applicable Margin for Eurocurrency Advances per annum on the undrawn amount of such Letter of Credit, and (B) \$600 per Letter of Credit. Such fee shall be due and payable quarterly in arrears on March 31, June 30, September 30, and December 31 of each year, and on the Maturity Date.

(ii) To the Issuing Lender, an annual fronting fee for each Letter of Credit, in the currency of such Letter of Credit, equal to the greater of (A) 0.20% per annum on the face amount of such Letter of Credit and (B) \$600 per annum. Such fronting fee shall be due and payable quarterly in arrears on March 31, June 30, September 30, and December 31 of each year, and on the Maturity Date.

(iii) To the Issuing Lender such other usual and customary fees associated with any transfers, amendments, drawings, negotiations, issuances or reissuances of any Letters of Credit issued by the Issuing Lender. Such fees shall be due and payable as requested by the Issuing Lender in accordance with the Issuing Lender's then current fee policy.

The US Borrower shall have no right to any refund of letter of credit fees previously paid by the US Borrower, including any refund claimed because any Letter of Credit is canceled prior to its expiration date.

(c) Fee Letter. The US Borrower agrees to pay the fees to the Wells Fargo Parties and JPMorgan Chase Bank, N.A. as set forth in the applicable Fee Letter.

Section 2.8. Interest.

(a) Base Rate Advances. Each Base Rate Advance shall bear interest at the Adjusted Base Rate, Canadian (US) Base Rate, or Canadian (Cdn) Base Rate, as applicable, in effect from time to time plus the Applicable Margin for Base Rate Advances for such period. The US Borrower shall pay to US Administrative Agent for the ratable account of each US Facility Lender all accrued but unpaid interest on such Lender's Base Rate Advances on each March 31, June 30, September 30, and December 31 commencing on June 30, 2017, and on the Maturity Date. The Canadian Borrower shall pay to Canadian Administrative Agent for the ratable account of each Canadian Facility Lender all accrued but unpaid interest on such Lender's Base Rate Advances on each March 31, June 30, September 30, and December 31 commencing on June 30, 2017, and on the Maturity Date.

(b) Eurocurrency Advances. Each Eurocurrency Advance shall bear interest during its Interest Period equal to at all times the Eurocurrency Rate for such Interest Period plus the Applicable Margin for Eurocurrency Advances for such period. The US Borrower shall pay to the US Administrative Agent for the ratable account of each US Facility Lender all accrued but unpaid interest on each of such Lender's Eurocurrency Advances on the last day of the Interest Period therefor (provided that for Eurocurrency Advances with Interest Periods of six months or longer, accrued but unpaid interest shall also be due every three months from the first day of such Interest Period), on the date any Eurocurrency Advance is repaid, and on the Maturity Date. The Canadian Borrower shall pay to the Canadian Administrative Agent for the ratable account of each Canadian Facility Lender all accrued but unpaid interest on each of such Lender's Eurocurrency Advances on the last day of the Interest Period therefor (provided that for Eurocurrency Advances with Interest Periods of six months or longer, accrued but unpaid interest shall also be due every three months from the first day of such Interest Period), on the date any Eurocurrency Advance is repaid, and on the Maturity Date.

(c) Swing Line Advances. The Swing Line Advances shall bear interest at the US Base Rate in effect from time to time plus the Applicable Margin for Base Rate Advances or such other per annum rate to be agreed to between the US Borrower and the Swing Line Lender. The US Borrower shall pay all accrued but unpaid interest on each Swing Line Advance to the Swing Line Lender on each March 31, June 30, September 30, and December 31 commencing on June 30, 2017, and on the Maturity Date or such dates as otherwise agreed to between the Swing Line Lender and the US Borrower.

(d) Acceptance Fee on B/A Advances. Subject to the provisions of Section 9.10 and 9.11, the Advances comprising each B/A Borrowing shall be subject to an Acceptance Fee, payable by the Canadian Borrower on the date of acceptance of the relevant B/A and calculated as set forth in the definition of the term Acceptance Fee in Section 1.1.

(e) Retroactive Adjustments of Applicable Margin. In the event that any Financial Statement or Compliance Certificate delivered pursuant to Section 5.2 is shown to be inaccurate (regardless of whether this Agreement or the Commitments are in effect when such inaccuracy is discovered), and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin for any period then in effect (an "Applicable Period") than the Applicable Margin applied for such Applicable Period, then (i) the US Borrower shall promptly deliver to the US Administrative Agent a corrected Compliance Certificate for such Applicable Period, (ii) the Applicable Margin shall be determined as if the higher Applicable Margin then in effect that would have applied were applicable for such Applicable Period (and in any event at the highest Level if the inaccuracy was the result of dishonesty, fraud or willful misconduct), and (iii) the applicable Borrower shall promptly, without further action by either Administrative Agent, any Lender or Issuing Lender, pay to the applicable Administrative Agent for the account of the applicable Lenders or Issuing Lender, the accrued additional interest or fees owing as a result of such increased Applicable Margin for such Applicable Period. This Section 2.8(e) shall not limit the rights of the Administrative Agents and Lenders with respect to the Default Rate of interest as set forth in Section 2.8(f) or Article 7. The Borrowers' obligations under this Section 2.8(e) shall survive the termination of the Commitments and the repayment of all other Obligations hereunder.

(f) Default Rate. Notwithstanding anything contained herein to the contrary (and in lieu of the interest rates otherwise applicable thereunder), but subject to the provisions of Section 9.10 and 9.11 and Section 2.12(e), (i) upon the occurrence and during the continuance of an Event of Default under Section 7.1(a) or Section 7.1(g), all Advances shall bear interest, after as well as before judgment, at the Default Rate and (ii) upon the occurrence and during the continuance of any other Event of Default, upon the request of the Majority Lenders, all Advances shall bear interest, after as well as before judgment, at the Default Rate. Interest accrued pursuant to this Section 2.8(f) and all interest accrued but unpaid on or after the Maturity Date shall be due and payable on demand, and if no express demand is made, then due and payable on such other dates as required herein.

Section 2.9. Illegality. If any Lender shall notify either Borrower that the introduction of or any change in or in the interpretation of any law or regulation makes it unlawful, or that any central bank or other Governmental Authority asserts that it is unlawful, for such Lender or its applicable Lending Office to perform its obligations under this Agreement to make, maintain, or fund any Eurocurrency Advances or B/A Advances of such Lender then outstanding hereunder, (a) the applicable Borrower shall, no later than 11:00 a.m. (Houston, Texas, time) (i) if not prohibited by law, on the last day of the Interest Period for each outstanding Eurocurrency Advance or on the last day of the Contract Period for each outstanding B/A Advance, as applicable, or (ii) if required by such notice, on the second Business Day

following its receipt of such notice, prepay all of the Eurocurrency Advances of such Lender then outstanding or defease all B/A Advances of such Lender then outstanding pursuant to Section 2.18, together with accrued interest on the principal amount prepaid or defeased to the date of such prepayment or defeasance and amounts, if any, required to be paid pursuant to Section 2.10 as a result of such prepayment being made on such date, (b) such Lender shall simultaneously make a Base Rate Advance in the applicable currency to the applicable Borrower on such date in an amount equal to the aggregate principal amount of the Eurocurrency Advances prepaid or B/A Advances defeased to such Lender, and (c) the right of the Borrowers to select Eurocurrency Advances or B/A Advances from such Lender for any subsequent Borrowing shall be suspended until such Lender shall notify the Borrowers that the circumstances causing such suspension no longer exist (which notice shall be given by such Lender promptly). Each Lender agrees to use commercially reasonable efforts (consistent with its internal policies and legal and regulatory restrictions) to designate a different Lending Office if the making of such designation would avoid the effect of this paragraph and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender.

Section 2.10. Breakage Costs. Upon demand of any Lender (with a copy to the applicable Administrative Agent) from time to time, the applicable Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, Conversion, payment or prepayment (including any deemed payment or repayment and any reallocated repayment to Non-Defaulting Lenders) of any Advance other than a Base Rate Advance on a day other than the last day of the Interest Period for such Advance (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by any Borrower (for a reason other than the failure of such Lender to make an Advance) to prepay, borrow, continue or Convert any Advance other than a Base Rate Advance on the date or in the amount notified by such Borrower;

(c) any payment by any Borrower of reimbursement drawings under any Letter of Credit in a currency other than such Letter of Credit's original currency;

(d) any payment by any Borrower of any Advance in a currency other in the original currency of such Advance; or

(e) any assignment of an Eurocurrency Advance on a day other than the last day of the Interest Period therefor as a result of a request by any Borrower pursuant to Section 2.14;

including any loss of anticipated profits (but excluding any loss of Applicable Margin), any foreign exchange losses and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Advance, from fees payable to terminate the deposits from which such funds were obtained or from the performance of any foreign exchange contract; provided that the foregoing shall not apply to the defeasance of any B/A Advance as provided in Section 2.5. The applicable Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing. For purposes of calculating amounts payable by the applicable Borrower to the Lenders under this Section 2.10, the requesting Lender shall be deemed to have (i) in the case of Eurocurrency Advances, funded the Eurocurrency Advances made by it at the Eurocurrency Base Rate used in determining the Eurocurrency Rate for such Advance by a matching deposit or other borrowing (including bankers' acceptances) in the offshore interbank market for Dollars or the Foreign Currency, as applicable, for a comparable amount and for a comparable period, whether or not such Eurocurrency Advance was in fact so funded, and (ii) in the case of B/A Advances, made or accepted and purchased such B/A Advance with such Acceptance Fee

calculated for a comparable amount and comparable period, whether or not such B/A Advance was in fact so made or accepted and purchased. Any notice delivered by the applicable Administrative Agent (including on behalf of any Lender providing such notice to the applicable Administrative Agent) setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.10 shall be delivered to the applicable Borrower and shall be conclusive and binding absent manifest error.

Section 2.11. Increased Costs.

(a) Eurocurrency Advances. If any Change in Law shall:

(i) impose, modify, or deem applicable any reserve, special deposit, assessment, or similar requirement (other than by way of imposition or increase of reserve requirements included in the Eurocurrency Reserve Percentage) relating to any extensions of credit or other assets of, or any deposits with or other liabilities or commitments of, financial institutions generally, including such Lender (or its applicable Lending Office), including the Commitments of such Lender hereunder;

(ii) subject any Recipient to any Tax (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (f) of the definition of "Excluded Taxes" and (C) Other Connection Taxes) on its Advances, principal of its Advances, Letters of Credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on financial institutions generally, including such Lender (or its applicable Lending Office), or on the London interbank market any other condition affecting this Agreement or its Notes or any of such extensions of credit or liabilities or commitments;

and the result of any of the foregoing is to increase the cost to such Lender (or its applicable Lending Office) of making, Converting into, continuing, or maintaining any Eurocurrency Advances or accepting and purchasing any B/A Advance (or of maintaining its obligation to make or accept and purchase any such Advance), or to reduce any sum received or receivable by such Lender (or its applicable Lending Office) under this Agreement or its Notes with respect to any Eurocurrency Advances or any B/A Advances, then the applicable Borrower shall pay to such Lender within three Business Days after written demand made by such Lender such amount or amounts as such Lender determines in good faith to be necessary to compensate such Lender for such increased cost or reduction.

(b) Capital/Liquidity Adequacy. If, after the Closing Date, any Lender or Issuing Lender shall have determined that any Change in Law affecting such Lender or Issuing Lender or any Lending Office of such Lender or such Lender's or Issuing Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on the capital of financial institutions generally, including such Lender or the Issuing Lender or any corporation controlling such Lender or the Issuing Lender, as a consequence of such Lender's or the Issuing Lender's obligations hereunder to a level below that which such Lender or the Issuing Lender or such corporation could have achieved but for such Change in Law (taking into consideration its policies with respect to capital or liquidity adequacy), then from time to time within three Business Days after written demand by such Lender or the Issuing Lender, as the case may be, the applicable Borrower shall pay to such Lender or the Issuing Lender such additional amount or amounts as such Lender determines in good faith to be necessary to compensate such Lender or the Issuing Lender for such reduction.

(c) Certificates for Reimbursement. A certificate of a Lender or the Issuing Lender setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or the Issuing Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.11 and delivered to the applicable Borrower shall be conclusive absent manifest error. The applicable Borrower shall pay to the applicable Administrative Agent for the account of such Lender or the Issuing Lender, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof

(d) Delay in Requests. Failure or delay on the part of any Lender or Issuing Lender to demand compensation pursuant to this Section 2.11 shall not constitute a waiver of such Lender's or the Issuing Lender's right to demand such compensation, provided that a Borrower shall not be required to compensate a Lender or the Issuing Lender pursuant to this Section 2.11 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Lender, as the case may be, notifies any Borrower and any Administrative Agent of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Mitigation. If any Lender requests compensation under this Section 2.11 then such Lender shall use commercially reasonable efforts (consistent with its internal policies and legal and regulatory restrictions) to designate a different Lending Office for funding or booking its Advances hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to this Section 2.11 in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The US Borrower hereby agrees to pay all reasonable costs and expenses incurred by any US Facility Lender in connection with any such designation or assignment. The Canadian Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Canadian Facility Lender in connection with any such designation or assignment.

Section 2.12. Payments and Computations.

(a) Payments. All payments of principal, interest, and other amounts to be made by the Borrowers under this Agreement and other Credit Documents shall be made to the applicable Administrative Agent in Same Day Funds, without setoff, deduction, or counterclaim. Except as otherwise expressly provided herein and except with respect to principal of and interest on Advances denominated in a Foreign Currency and Letter of Credit Obligations for Letters of Credit issued in any Foreign Currency (the payments for which shall be made in such Foreign Currency and in Same Day Funds), all payments by the Borrowers hereunder shall be made to the applicable Administrative Agent, for the account of the respective Lenders to which such payment is owed in Dollars and in Same Day Funds.

(b) Payment Procedures.

(i) Each Borrower shall make each payment under this Agreement and under the Notes not later than 11:00 a.m. (Houston, Texas time) on the day when due in Dollars or in the applicable currency, to the applicable Administrative Agent at the location referred to in the Notes (or such other location as the applicable Administrative Agent shall designate in writing to the applicable Borrower) in Same Day Funds and, as to payments of principal (other than under

Section 2.6), accompanied by a Notice of Optional Payment or Notice of Mandatory Payment, as applicable, from the applicable Borrower, with appropriate insertions. The applicable Administrative Agent will promptly thereafter, and in any event prior to the close of business on the day any timely payment is made, cause to be distributed like funds relating to the payment of principal, interest or fees ratably (other than amounts payable solely to the applicable Administrative Agent, the specific Issuing Lender or a specific Lender pursuant to the terms of this Agreement) in accordance with each Lender's Applicable Pro Rata Share to the Lenders for the account of their respective applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon receipt of other amounts due solely to the applicable Administrative Agent, a specific Issuing Lender, the Swing Line Lender, or a specific Lender, the applicable Administrative Agent shall distribute such amounts to the appropriate party to be applied in accordance with the terms of this Agreement.

(ii) With respect to the repayment or prepayment of Canadian Advances hereunder, the Canadian Administrative Agent may assume that the Canadian Borrower has made such prepayment or repayment, as applicable, on the date designated therefor as described in the Notice of Optional Payment or Notice of Mandatory Payment, as applicable, and the Canadian Administrative Agent may, in reliance upon such assumption, cause to be distributed like funds relating to the payment of principal, interest or fees ratably (other than amounts payable solely to the applicable Administrative Agent, the specific Issuing Lender or a specific Lender pursuant to the terms of this Agreement) in accordance with each Canadian Facility Lender's Applicable Pro Rata Share to the Canadian Facility Lenders for the account of their respective applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Canadian Facility Lender to such Canadian Facility Lender for the account of its applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. If and to the extent that the Canadian Borrower shall not have so made its payment or prepayment, as applicable, on the designated date therefor as described in the Notice of Optional Payment or Notice of Mandatory Payment, as applicable, each Canadian Facility Lender agrees to immediately repay to the Canadian Administrative Agent on demand such corresponding amount, together with interest on such amount, for each day from the date such amount is made available to such Canadian Facility Lender until the date such amount is repaid to the Canadian Administrative Agent, at the lesser of (A) the Overnight Rate for such day and (B) the Maximum Rate. If such Canadian Facility Lender shall repay to the Canadian Administrative Agent such corresponding amount and interest as provided above, such corresponding amount so repaid shall constitute such Canadian Facility Lender's Advance as part of a Canadian Borrowing for purposes of this Agreement.

(c) Computations. All computations of interest for Base Rate Advances and B/A Advances shall be made by the applicable Administrative Agent on the basis of a year of 365/366 days and all computations of all other interest and fees shall be made by the applicable Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day, but excluding the last day) occurring in the period for which such interest or fees are payable. Each determination by the applicable Administrative Agent of an amount of interest or fees shall be conclusive and binding for all purposes, absent manifest error.

(d) Interest Act (Canada). To the extent the Interest Act (Canada) is applicable, for the purposes of this Agreement, whenever interest to be paid hereunder is to be calculated on the basis of 360 days or any other period of time that is less than a calendar year, the yearly rate of interest to which the

rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or such other number of days in such period, as the case may be.

(e) Canadian Maximum Rate of Interest. To the extent the Criminal Code (Canada) is applicable, notwithstanding anything contained herein to the contrary, the Canadian Borrower will not be obliged to make any payment of interest or other amounts payable to any Canadian Facility Lender hereunder in excess of the amount or rate that would be permitted by applicable law or would result in the receipt by the Canadian Facility Lenders of interest at a criminal rate (as such terms are construed under the Criminal Code (Canada)). If the making of any payment by the Canadian Borrower would result in a payment being made that is in excess of such amount or rate, the Canadian Facility Lenders will determine the payment or payments that are to be reduced or refunded, as the case may be, so that such result does not occur.

(f) Waiver of Judgment Interest Act (Alberta). To the extent permitted by applicable Legal Requirement, the provisions of the Judgment Interest Act (Alberta) (if applicable) will not apply to the Credit Documents and are hereby expressly waived by the Canadian Borrower.

(g) Sharing of Payments, Etc. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Advances or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Advances and accrued interest thereon or other such obligations greater than its Applicable Pro Rata Share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the applicable Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Advances and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Advances and other amounts owing them; provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph (g) shall not be construed to apply to (x) any payment made by or on behalf of any Credit Party pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Advances or participations in Letter of Credit Exposure or Swing Line Advances to any assignee or participant, other than to any Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply).

Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Legal Requirement, that any Lender acquiring a participation pursuant to the foregoing arrangements may, subject to Section 7.4, exercise against such Credit Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

Section 2.13. Taxes.

(a) Defined Terms. For purposes of this Section 2.13, the term “Lender” includes the Issuing Lender and the term “applicable Legal Requirement” includes FATCA.

(b) No Deduction for Certain Taxes. Any and all payments by or on account of any obligation of any Credit Party under any of the Credit Documents to any Administrative Agent, the Issuing Lender, or a Lender shall be made free and clear of and without deduction or withholding for any and all present or future Taxes, except as required by applicable Legal Requirement. If any applicable Legal Requirement requires the deduction or withholding of any Tax from any such payment, then the applicable Credit Party or Administrative Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Legal Requirement and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Credit Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings of Indemnified Taxes applicable to additional sums payable under this Section 2.13(b)), the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Other Taxes. The Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable Legal Requirement, or at the option of the applicable Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Credit Parties. The applicable Credit Parties shall jointly and severally indemnify each Recipient, within 30 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the applicable Borrower by a Recipient (with a copy to the US Administrative Agent), or by the applicable Administrative Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error; provided that, no Recipient shall be indemnified for any Indemnified Taxes or Other Taxes the demand for which is made to the applicable Borrower or the applicable Credit Party later than one year after the later of (i) the date on which the relevant Governmental Authority makes written demand upon such Recipient for payment of such Indemnified Taxes or Other Taxes, and (ii) the date on which such Recipient made payment of such Indemnified Taxes or Other Taxes; provided, further that, if the Indemnified Taxes or Other Taxes imposed or asserted giving rise to such claims are retroactive, then the one-year period referred to above shall be extended to include the period of retroactive effect thereof. If any Credit Party believes that an Indemnified Tax paid by such Credit Party was not correctly or legally asserted, then at the reasonable request of such Credit Party, the applicable Recipient will use commercially reasonable efforts (consistent with its internal policies and legal and regulatory restrictions) to cooperate with such Credit Party to obtain a refund of such Indemnified Tax so long as such Recipient could not be subject to any unreimbursed cost or expense or to any liability.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the applicable Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the applicable Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender’s failure to comply with the provisions of Section 9.7 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the applicable Administrative Agent in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or

not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the applicable Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes each Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by such Administrative Agent to such Lender from any other source against any amount due to such Administrative Agent under this paragraph (e).

(f) Evidence of Tax Payments. As soon as practicable after any payment of Taxes or Other Taxes by any Credit Party to a Governmental Authority, the applicable Borrower shall deliver to the US Administrative Agent the original or a certified copy of any receipt issued by such Governmental Authority evidencing such payment or other evidence of such payment reasonably satisfactory to the US Administrative Agent.

(g) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Credit Document shall deliver to the applicable Borrower and the US Administrative Agent, at the time or times reasonably requested by the applicable Borrower or the US Administrative Agent, such properly completed and executed documentation reasonably requested by the applicable Borrower or the US Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the applicable Borrower or the US Administrative Agent, shall deliver such other documentation prescribed by applicable Legal Requirement or reasonably requested by the applicable Borrower or the US Administrative Agent as will enable the applicable Borrower or the US Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than the documentation set forth in Section 2.13(g)(ii)(A), (g)(ii)(B) and (g)(ii)(D) below) shall not be required if, in the Lender's reasonable judgment, such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a US Person shall deliver to the US Borrower and the US Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the US Borrower or the US Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from US federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the US Borrower and the US Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the US Borrower or the US Administrative Agent), whichever of the following is applicable:

1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Credit Document, executed originals of IRS Form W-8BEN (or Form W-8BEN-E, as applicable) establishing an exemption from, or reduction of, US federal withholding Tax pursuant to the "interest" article of

such tax treaty and (y) with respect to any other applicable payments under any Credit Document, IRS Form W-8BEN (or Form W-8BEN-E, as applicable) establishing an exemption from, or reduction of, US federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

2. executed originals of IRS Form W-8ECI;
3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the US Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “US Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN (or Form W-8BEN-E, as applicable); or
4. to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN (or Form W-8BEN-E, as applicable), a US Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a US Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the US Borrower and the US Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the US Borrower or the US Administrative Agent), executed originals of any other form prescribed by applicable Legal Requirement as a basis for claiming exemption from or a reduction in US federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Legal Requirement to permit the US Borrower or the US Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Recipient under any Credit Document would be subject to US federal withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the US Borrower and the US Administrative Agent at the time or times prescribed by Legal Requirement and at such time or times reasonably requested by the US Borrower or the US Administrative Agent such documentation prescribed by applicable Legal Requirement (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the US Borrower or the US Administrative Agent as may be necessary for the US Borrower and the US

Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the US Borrower and the US Administrative Agent in writing of its legal inability to do so.

(h) Mitigation. Each Lender shall use reasonable efforts (consistent with its internal policies and legal and regulatory restrictions) to select a jurisdiction for its applicable Lending Office or change the jurisdiction of its applicable Lending Office, as the case may be, so as to avoid the imposition of any Indemnified Taxes or Other Taxes or to eliminate or reduce the payment of any additional sums under this Section 2.13; provided, that no such selection or change of jurisdiction for its applicable Lending Office shall be made if, in the reasonable judgment of such Lender, such selection or change would be disadvantageous to such Lender.

(i) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.13 (including by the payment of additional amounts pursuant to this Section 2.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity and gross-up payments made under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (i) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (i), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (i) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph (i) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(j) Survival. Each party's obligations under this Section 2.13 shall survive the resignation or replacement of any Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

Section 2.14. Replacement of Lenders. If (a) any Lender requests compensation under Section 2.11, or if any Borrower is required pursuant to Section 2.13 to make any additional payment to any Lender, (b) any Lender's obligation to make or continue, or to Convert Base Rate Advances into, Eurocurrency Advances shall be suspended pursuant to Section 2.4(c)(v), Section 2.4(c)(vi) or Section 2.9, (c) any US Facility Lender is a Defaulting Lender, (d) any Canadian Facility Lender is a Defaulting Lender, or (e) any Lender is a Non-Consenting Lender (any such Lender described in any of the preceding clauses (a) – (e), being a "Subject Lender"), then (i) in the case of a Defaulting Lender, the US Administrative Agent may, upon notice to the Subject Lender and the US Borrower, require such Defaulting Lender to assign and delegate, without recourse (in accordance with and subject to the

restrictions contained in, and consents required by, Section 9.7), all of its interests, rights and obligations under this Agreement and the related Credit Documents as a US Facility Lender and, if applicable, a Canadian Facility Lender to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment) and (ii) in the case of any Subject Lender, the US Borrower may, upon notice to the Subject Lender and the US Administrative Agent and at the US Borrower's sole cost and expense, require such Subject Lender to assign and delegate (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.7), all of its interests, rights and obligations under this Agreement and the related Credit Documents to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that, in any event:

- (i) as to assignments required by the US Borrower, the US Borrower shall have paid to the US Administrative Agent the assignment fee specified in Section 9.7 (unless waived by the US Administrative Agent in its sole discretion);
- (ii) such Subject Lender shall have received payment of an amount equal to the outstanding principal of its applicable Advances and funded participations in outstanding Letter of Credit Obligations, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Credit Documents (including any amounts under Section 2.10) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the US Borrower (in the case of all other amounts);
- (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.11 or Section 2.13, such assignment will result in a reduction in such compensation or payments thereafter;
- (iv) such assignment does not conflict with applicable Legal Requirements; and
- (v) in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have agreed to the applicable departure, waiver or amendment of the Credit Documents.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the US Borrower to require such assignment and delegation cease to apply. Solely for purposes of effecting any assignment involving a Defaulting Lender under this Section 2.14 and to the extent permitted under applicable Legal Requirements, each Lender hereby designates and appoints the US Administrative Agent as true and lawful agent and attorney-in-fact, with full power and authority, for and on behalf of and in the name of such Lender to execute, acknowledge and deliver the Assignment and Acceptance required hereunder if such Lender is a Defaulting Lender and such Lender shall be bound thereby as fully and effectively as if such Lender had personally executed, acknowledged and delivered the same. In lieu of the US Borrower or the US Administrative Agent replacing a Defaulting Lender as provided in this Section 2.14, the US Borrower may terminate such Defaulting Lender's applicable Commitment as provided in Section 2.1(d).

Section 2.15. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if (x) any US Facility Lender becomes a Defaulting Lender or (y) any Canadian Facility

Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable Legal Requirement:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Majority Lenders, US Majority Lenders or Canadian Majority Lenders, as applicable.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the applicable Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 7 or otherwise) or received by the applicable Administrative Agent from a Defaulting Lender pursuant to Section 7.4 shall be applied at such time or times as may be determined by the applicable Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the applicable Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Lender or the Swing Line Lender hereunder; *third*, to Cash Collateralize the Issuing Lender's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.16; *fourth*, as the US Borrower may request (so long as no Default or Event of Default exists), to the funding of any Advance in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the applicable Administrative Agent; *fifth*, if so determined by the applicable Administrative Agent and the US Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Advances under this Agreement and (y) Cash Collateralize the Issuing Lender's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.16; *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Lender or the Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, the Issuing Lender or the Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the US Borrower as a result of any judgment of a court of competent jurisdiction obtained by the US Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Advances or participations in respect of Letter of Credit Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Advances were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 3.2 were satisfied or waived, such payment shall be applied solely to pay the Advances of, and participations in respect of Letter of Credit Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Advances of, or participations in respect of Letter of Credit Obligations and Swing Line Advances owed to, such Defaulting Lender until such time as all Advances and funded and unfunded participations in Letter of Credit Obligations and Swing Line Advances are held by the Lenders pro rata in accordance with the US Commitments without giving effect to Section 2.15(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.15(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period (and such fees shall cease to accrue with respect to such Defaulting

Lender) during which that Lender is a Defaulting Lender (and the US Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit fees payable under Section 2.7(b)(i) for any period during which that Lender is a Defaulting Lender only to the extent allocable to its US Pro Rata Share of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.15(a)(ii).

(C) With respect to any Letter of Credit fees payable under Section 2.7(b)(i) not required to be paid to any Defaulting Lender pursuant to clause (B) above, the US Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letter of Credit Obligations that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the Issuing Lender the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Lender's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letter of Credit Obligations and Swing Line Advances shall be reallocated among the US Facility Lenders which are Non-Defaulting Lenders in accordance with their respective US Pro Rata Shares (calculated without regard to such Defaulting Lender's US Commitment) but only to the extent that (x) the conditions set forth in Sections 3.2(a) and (b) are satisfied at the time of such reallocation (and, unless the US Borrower shall have otherwise notified the applicable Administrative Agent at such time, the US Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the outstanding principal amount of US Advances of any Non-Defaulting Lender plus such Non-Defaulting Lender's US Pro Rata Share of Letter of Credit Exposure to exceed such Non-Defaulting Lender's US Commitment in effect at such time. Subject to Section 9.27, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral; Repayment of Swing Line Advances. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the US Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, (x) first, prepay Swing Line Advances in an amount equal to the Swing Line Lender's Fronting Exposure and (y) second, Cash Collateralize the Issuing Lender's Fronting Exposure in accordance with the procedures set forth in Section 2.16.

(b) Defaulting Lender Cure. If the US Borrower, the Administrative Agents, the Issuing Lender and the Swing Line Lender agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agents will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Advances of the other Lenders or take such other actions as the Administrative Agents may determine to be necessary to cause the US Advances and funded and unfunded participations in Letters of Credit and Swing Line Advances to be held by the US Facility Lenders in accordance with their US Pro

Rata Shares (without giving effect to Section 2.15(a)(iv)) and the Canadian Advances to be held by the Canadian Facility Lenders in accordance with their Canadian Pro Rata Shares, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the US Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Letters of Credit. So long as any US Facility Lender is a Defaulting Lender, the Issuing Lender shall not be required to issue, extend, renew or increase any Letter of Credit unless it is reasonably satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.16. Cash Collateral. At any time that there shall exist a Defaulting Lender which is a US Facility Lender, within one Business Day following the written request of the US Administrative Agent or the Issuing Lender or Swing Line Lender (with a copy to the US Administrative Agent) the US Borrower shall Cash Collateralize the Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.15(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than such Fronting Exposure.

(a) Grant of Security Interest. The US Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the US Administrative Agent, for the benefit of the Issuing Lender, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letter of Credit Obligations, to be applied pursuant to clause (b) below. If at any time the US Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the US Administrative Agent and the Issuing Lender as herein provided, or that the total amount of such Cash Collateral is less than the Fronting Exposure for all Defaulting Lenders, the US Borrower will, promptly upon demand by the US Administrative Agent, pay or provide to the US Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(b) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.16 or Section 2.15 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letter of Credit Obligations (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(c) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the Issuing Lender's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.16 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the US Administrative Agent and the Issuing Lender that there exists excess Cash Collateral; provided that, subject to Section 2.15, the Person providing Cash Collateral and the Issuing Lender may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations and provided further that to the extent such Cash Collateral was provided by any Credit Party, such Cash Collateral shall remain subject to the security interest granted pursuant to the Security Agreement.

Section 2.17. Increase in Commitments.

(a) At any time prior to the Business Day immediately preceding the Maturity Date, the Borrowers may effectuate one or more increases in the aggregate US Commitments and/or Canadian Commitments or add one or more new term loan facilities hereunder (each such increase or new term loan facility being a "Commitment Increase"), by designating either one or more of the existing Lenders (each of which, in its sole discretion, may determine whether and to what degree to participate in such Commitment Increase) or one or more other Eligible Assignees that at the time agree, in the case of any such Eligible Assignee that is an existing Lender to increase its US Commitment and/or its US Commitment or provide a new term loan commitment as such Lender shall so select (an "Increasing Lender") and, in the case of any other Eligible Assignee that is not an existing Lender (an "Additional Lender"), to become a party to this Agreement as a Lender; provided, however, that:

- (i) each such Commitment Increase shall be equal to at least \$5,000,000;
- (ii) the aggregate amount of all such Commitment Increases shall not exceed \$50,000,000;
- (iii) the aggregate amount of all such Commitment Increases in the form of one or more term loan facilities shall not exceed \$25,000,000;
- (iv) no Default shall exist immediately prior to and after giving effect to any such Commitment Increase;
- (v) with respect to any Commitment Increase in the form of one or more term loan facilities, after giving pro forma effect to any such new additional term loans under a new term loan facility (and any Advances hereunder made on the effective date of such term loan facilities), the Leverage Ratio shall be no greater than 2.00 to 1.00;
- (vi) no Lender shall be required or otherwise obligated to provide any Commitment Increase or any portion thereof;
- (vii) the scheduled maturity date of any new term loan facility shall be no earlier than the Maturity Date and no other scheduled amortization prepayments shall be required thereunder other than those that apply to the existing Facilities; and
- (viii) each such Commitment Increase shall have the same terms as the existing Facilities other than (A) original issue discounts, if any, upfront fees, and customary arrangement, structuring, or underwriting fees, if any, payable to one or more arrangers (or their affiliates) of any such Commitment Increase and (B) operational and structural terms reasonably acceptable to the Borrowers, such Increasing Lenders and the applicable Administrative Agent as may be necessary to implement such Commitment Increases in the form of a new term loan facility.

The US Borrower shall provide prompt notice of such proposed Commitment Increase pursuant to this Section 2.17 to the US Administrative Agent and the Lenders. This Section 2.17 shall not be construed to create any obligation on the US Administrative Agent or any of the Lenders to advance or to commit to advance any credit to any Borrower or to arrange for any other Person to advance or to commit to advance any credit to any Borrower.

(b) The Commitment Increase shall become effective on the date (the "Increase Date") on or prior to which each of following conditions shall have been satisfied: (i) the receipt by the US Administrative Agent of (A) an agreement in form and substance reasonably satisfactory to the US

Administrative Agent signed by the Borrowers, each Increasing Lender and/or each Additional Lender, setting forth the Commitments, if any, of each such Increasing Lender and/or Additional Lender and, if applicable, setting forth the agreement of each Additional Lender to become a party to this Agreement and to be bound by all the terms and provisions hereof binding upon each Lender, if any of the terms of such Commitment Increase differs from the Canadian Facility or the US Facility, as applicable, (B) an amendment to this Agreement signed by the Borrowers, the Administrative Agents and such Increasing Lenders and Additional Lenders, as applicable, to amend the necessary provisions of this Article 2 to account for the terms of such Commitment Increase, and (C) such evidence of appropriate authorization on the part of the Borrowers with respect to such Commitment Increase and such customary legal opinions as the US Administrative Agent may reasonably request, (ii) in the case of any Commitment Increase in respect of the US Commitments, the funding by each Increasing Lender and Additional Lender of the US Advances to be made by each such Lender to effect the reallocations required in clause (c) below, (iii) in the case of any Commitment Increase in respect of the Canadian Commitments, the funding by each Increasing Lender and Additional Lender of the Canadian Advances to be made on the Increase Date, if any, in the amount of such Lender's increased Canadian Commitment, (iv) receipt by the US Administrative Agent of a certificate of an authorized officer of the US Borrower certifying that (A) both before and after giving effect to such Commitment Increase, no Default has occurred and is continuing, (B) all representations and warranties made by the Borrowers in this Agreement are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), unless such representation or warranty relates to an earlier date which remains true and correct in all material respects as of such earlier date (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), and (C) the Parent is in pro forma compliance with the covenants in Section 6.16, after giving pro forma effect to the making of any Advances in connection with the relevant increase in the US Commitment or Canadian Commitment, or any such new additional term loans under a new term loan facility, and (v) receipt by the Increasing Lender or Additional Lender, as applicable, of all such fees as agreed to between such Increasing Lender and /or Additional Lender and the applicable Borrower.

(c) On any Increased Date on which there is a Commitment Increase in the Canadian Commitments pursuant to Section 2.17, (i) each of the Canadian Facility Lenders shall assign to each of the Increasing Lenders with regard to such Commitment Increase, and each of such Increasing Lender shall purchase from each of the Canadian Facility Lenders, at the principal amount thereof, such interests in the Canadian Advances outstanding on such Increased Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Canadian Advances will be held by existing Canadian Facility Lenders and the Increasing Lenders ratably in accordance with their Canadian Commitments after giving effect to the addition of such Commitment Increase in the Canadian Commitments, (ii) each Commitment Increase in the Canadian Commitments shall be deemed for all purposes a Canadian Commitment and each Canadian Advance made thereunder shall be deemed, for all purposes, a Canadian Advance and (iii) each Increasing Lender shall become a Canadian Facility Lender with respect to the Commitment Increase and all matters relating thereto. The Canadian Administrative Agent and the Canadian Facility Lenders hereby agree that the minimum borrowing and prepayment requirements in Section 2.4 of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. Notwithstanding any provision contained herein to the contrary, from and after the date of such Commitment Increase, all calculations and payments of interest on the Canadian Advances shall take into account the actual Canadian Commitment of each Canadian Facility Lender and the principal amount outstanding of each Canadian Advance made by such Lender during the relevant period of time.

(d) On any Increase Date on which there is a Commitment Increase in the US Commitments pursuant to Section 2.17, (i) each of the US Facility Lenders shall assign to each of the Increasing Lenders with regard to such Commitment Increase, and each of such Increasing Lender shall purchase from each of the US Facility Lenders, at the principal amount thereof, such interests in the US Advances outstanding on such Increased Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such US Advances will be held by existing US Facility Lenders and the Increasing Lenders ratably in accordance with their US Commitments after giving effect to the addition of such Commitment Increase in the US Commitments, (ii) each Commitment Increase in the US Commitments shall be deemed for all purposes a US Commitment and each US Advance made thereunder shall be deemed, for all purposes, a US Advance and (iii) each Increasing Lender shall become a US Facility Lender with respect to the Commitment Increase and all matters relating thereto. The US Administrative Agent and the US Facility Lenders hereby agree that the minimum borrowing and prepayment requirements in Section 2.4 of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. Notwithstanding any provision contained herein to the contrary, from and after the date of such Commitment Increase, all calculations and payments of interest on the US Advances shall take into account the actual US Commitment of each US Facility Lender and the principal amount outstanding of each US Advance made by such Lender during the relevant period of time.

(e) On such Increase Date if such Commitment Increase involves an increase in the aggregate US Commitments, each US Facility Lender's share of the Letter of Credit Exposure and participations in respect of Swing Line Advances on such date shall automatically be deemed to equal such Lender's US Pro Rata Share of such Letter of Credit Obligations and participations in respect of Swing Line Advances (such US Pro Rata Share for such Lender to be determined as of the Increase Date in accordance with its US Commitment on such date as a percentage of the aggregate US Commitments on such date) without further action by any party.

Section 2.18. Bankers' Acceptances.

(a) Subject to the terms and conditions of this Agreement, the Canadian Borrower may request a Borrowing by presenting drafts for acceptance and, if applicable, purchase as B/As by the Lenders.

(b) No Contract Period with respect to a B/A to be accepted and, if applicable, purchased as an Advance shall extend beyond the Maturity Date. All B/A Borrowings shall be denominated in Canadian Dollars.

(c) To facilitate availment of the B/A Advances, the Canadian Borrower hereby appoints each Lender as its attorney to sign and endorse on its behalf, in handwriting or by facsimile or mechanical signature as and when deemed necessary by such Lender, blank forms of B/As in the form requested by such Lender. The Canadian Borrower recognizes and agrees that all B/As signed and/or endorsed on its behalf by a Lender shall bind the Canadian Borrower as fully and effectually as if signed in the handwriting of and duly issued by the proper signing officers of the Canadian Borrower. Each Lender is hereby authorized to issue such B/As endorsed in blank in such face amounts as may be determined by such Lender; provided that the aggregate amount thereof is equal to the aggregate amount of B/As required to be accepted and purchased by such Lender. No Lender shall be liable for any damage, loss or other claim arising by reason of any loss or improper use of any such instrument except the gross negligence or willful misconduct of such Lender or its officers, employees, agents or representatives as determined by a court of competent jurisdiction by final and nonappealable judgment. Each Lender shall maintain a record with respect to B/As (i) voided by it for any reason, (ii) accepted and purchased by it hereunder and (iii) canceled at their respective maturities. Each Lender further agrees to retain such

records in the manner and for the statutory periods provided in the various provincial or federal statutes and regulations which apply to such Lender. On request by or on behalf of the Canadian Borrower, a Lender shall cancel all forms of B/A which have been pre-signed or pre-endorsed on behalf of the Canadian Borrower and which are held by such Lender and are not required to be issued in accordance with the Canadian Borrower's irrevocable notice. At the discretion of a Lender, B/As to be accepted by such Lender may be issued in the form of "Depository Bills" within the meaning of the Depository Bills and Notes Act (Canada) and deposited with the Canadian Depository for Securities Limited ("CDS") and may be made payable to "CDS & Co." or in such other name as may be acceptable to CDS and thereafter dealt with in accordance with the rules and procedures of CDS, consistent with the terms of this Agreement and the Depository Bills and Notes Act (Canada). All Depository Bills so issued shall be governed by the provisions of this Section 2.18.

(d) Drafts of the Canadian Borrower to be accepted as B/As hereunder shall be signed as set forth in this Section 2.18. Notwithstanding that any Person whose signature appears on any B/A may no longer be an authorized signatory for any of the Lenders or the Canadian Borrower at the date of issuance of a B/A, such signature shall nevertheless be valid and sufficient for all purposes as if such authority had remained in force at the time of such issuance and any such B/A so signed shall be binding on the Canadian Borrower.

(e) Promptly following receipt of a Notice of Borrowing, continuation or Conversion of B/As, the applicable Administrative Agent shall so advise the Lenders and shall advise each Lender of the aggregate face amount of the B/As to be accepted by it and the applicable Contract Period (which shall be identical for all Lenders). The aggregate face amount of the B/As to be accepted by a Lender shall be in an integral multiple of \$100,000 and such face amount shall be in each Lender's Pro Rata Share of such Borrowing, and each such Borrowing shall be no less than \$500,000; provided, that the Canadian Administrative Agent may, in its sole discretion, increase or reduce any Lender's portion of such B/A to the nearest \$100,000.

(f) If the Canadian Borrower specifies in a Notice of Borrowing or Conversion or continuation pursuant to Section 2.4(a) or Section 2.4(b), respectively, that such Notice of Borrowing or Conversion or continuation is a request for B/A's, then the Canadian Facility Lenders shall purchase, or arrange the purchase of, each B/A from the Canadian Borrower at the Discount Rate for such Lender applicable to such B/A accepted by it and provide to the Canadian Administrative Agent the Discount Proceeds for the account of such Borrower. The Acceptance Fee payable by the Canadian Borrower to a Lender under Section 2.8(d) in respect of each B/A accepted by such Lender shall be set off against the Discount Proceeds payable by such Lender under this Section 2.18.

(g) Each Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all B/As accepted and purchased by it.

(h) If a Lender notifies the Canadian Administrative Agent in writing that it is unable to accept Bankers' Acceptances, such Lender will, instead of accepting and, if applicable, purchasing Bankers' Acceptances, make an advance (a "B/A Equivalent Advance") to the applicable Borrower in the amount and for the same term as the draft that such Lender would otherwise have been required to accept and purchase hereunder. Each such Lender will provide to the Canadian Administrative Agent the Discount Proceeds of such B/A Equivalent Advance for the account of the Canadian Borrower. Each such B/A Equivalent Advance will bear interest at the same rate that would result if such Lender had accepted (and been paid an Acceptance Fee) and purchased (on a discounted basis at the Discount Rate) a Bankers' Acceptance for the relevant Contract Period (it being the intention of the parties that each such B/A Equivalent Advance shall have the same economic consequences for the Lenders and the Canadian

Borrower as the Bankers' Acceptance which such B/A Equivalent Advance replaces). All such interest shall be paid in advance on the date such B/A Equivalent Advance is made, and will be deducted from the principal amount of such B/A Equivalent Advance in the same manner in which the Discount Proceeds of a Bankers' Acceptance would be deducted from the face amount of the Bankers' Acceptance.

(i) The Canadian Borrower waives presentment for payment and any other defense to payment of any amounts due to a Lender in respect of a B/A accepted and purchased by it pursuant to this Agreement which might exist solely by reason of such B/A being held, at the maturity thereof, by such Lender in its own right and the Canadian Borrower agrees not to claim any days of grace if such Lender as holder sues the Canadian Borrower on the B/A for payment of the amount payable by the Canadian Borrower thereunder. On the last day of the Contract Period of a B/A, or such earlier date as may be required or permitted pursuant to the provisions of this Agreement, the Canadian Borrower shall either pay the Lender that has accepted and purchased such B/A the full face amount of such B/A (subject to Section 2.18(j) below and Section 2.5(b)) or provide for a continuation as contemplated by Section 2.4(b), and after such payment, the Canadian Borrower shall have no further liability in respect of such B/A and such Lender shall be entitled to all benefits of, and be responsible for all payments due to third parties under, such B/A.

(j) Except as required by any Lender upon the occurrence of an Event of Default, no B/A Advance may be repaid by the Canadian Borrower prior to the expiry date of the Contract Period applicable to such B/A Advance; provided, however, that any B/A or B/A Equivalent Advance may be defeased as provided in Section 2.5(b)(ii) and shall be defeased as required in Section 2.5(c) and (d).

(i) Miscellaneous Due Diligence. (n) Lien Searches; Security Documents. The US Administrative Agent shall have received all documents, instruments and reports necessary to perfect or evidence the US Administrative Agent's Acceptable Security Interest in the Collateral, including reasonably satisfactory UCC and other lien searches and US or Canada intellectual property searches.

Section 3.2. Conditions Precedent to Each Borrowing and to Each Issuance, Extension or Renewal of a Letter of Credit. The obligation of each Lender to make an Advance on the occasion of each Borrowing (other than the conversion of an Advance to an Advance of a different Type), the

obligation of the Issuing Lender to issue, increase, renew or extend a Letter of Credit, shall be subject to the following conditions precedent that on the date of such Borrowing or such issuance, increase, renewal or extension, as applicable:

(a) Representations and Warranties. As of the date of the making of any Advance or issuance, increase, renewal or extension of any Letter of Credit or the reallocation of the Fronting Exposure provided in Section 2.15, the representations and warranties made by any Credit Party contained in the Credit Documents shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) on such date, except that any representation and warranty which by its terms is made as of a specified date shall be required to be true and correct only as of such specified date. Each request for the making of any Advance or issuance, increase, renewal or extension of any Letter of Credit and the making of such Advance or the issuance, increase, renewal or extension of such Letter of Credit shall be deemed to be a reaffirmation of such representations and warranties.

(b) Event of Default. As of the date of the making of any Advance, the issuance, increase, renewal or extension of any Letter of Credit or the reallocation of the Fronting Exposure provided in Section 2.15, as applicable, no Default or Event of Default shall exist, and the making of such Advance or issuance, increase, renewal or extension of such Letter of Credit, would not cause a Default or Event of Default.

(c) Available Cash. If the pro forma Leverage Ratio (as of the fiscal quarter end occurring immediately prior to the date such Advance is to be made and for which Financial Statements have been delivered to the US Administrative Agent as required under this Agreement), after giving effect to such Advance and the application of proceeds thereof, is greater than 1.00 to 1.00, the Available Cash Balance shall not exceed \$15,000,000.

(d) Canadian Asset Coverage Ratio. With respect to any Canadian Advance, if, after giving effect to such Canadian Advance and the application of the proceeds thereof, the pro forma Leverage Ratio (as of the fiscal quarter end occurring immediately prior to the date such Canadian Advance is to be made and for which Financial Statements have been delivered to the US Administrative Agent as required under this Agreement) is greater than 2.00 to 1.00, then the pro forma Canadian Asset Coverage Ratio (as of the fiscal month end occurring at least 30 days prior to the delivery of such Notice of Borrowing) shall not be less than 1.00 to 1.00.

(e) US Asset Coverage Ratio. With respect to any US Advance, if, after giving effect to such US Advance and the application of the proceeds thereof, the pro forma Leverage Ratio (as of the fiscal quarter end occurring immediately prior to the date such US Advance is to be made and for which Financial Statements have been delivered to the US Administrative Agent as required under this Agreement) is greater than 2.00 to 1.00, then the pro forma US Asset Coverage Ratio (as of the fiscal month end occurring at least 30 days prior to the delivery of such Notice of Borrowing) shall not be less than 1.00 to 1.00.

(f) Compliance Calculation. If and to the extent reasonably requested by the applicable Administrative Agent, within one Business Day of receipt of a Notice of Borrowing, the US Borrower shall have provided to such Administrative Agent a reasonably detailed calculation of the pro forma Canadian Asset Coverage Ratio, the pro forma US Asset Coverage Ratio, and the pro forma Leverage Ratio, as applicable, with such detail consistent with the Asset Coverage Certificate and the Compliance Certificate.

Each of the giving of the applicable Notice of Borrowing or Letter of Credit Application, the acceptance by the applicable Borrower of the proceeds of such Borrowing, the issuance, increase, renewal or extension of such Letter of Credit, and, if applicable, the reallocation of the Fronting Exposure, shall constitute a representation and warranty by each Borrower that on the date of such Borrowing, such issuance, increase, renewal or extension of such Letter of Credit or reallocation as applicable, the foregoing conditions, to the extent applicable, have been met.

Section 3.3. Determinations under Sections 3.1 and 3.2. For purposes of determining compliance with the conditions specified in Section 3.1 and 3.2, each Lender (other than the Lender that is an Administrative Agent) shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to the Lenders unless an officer of the applicable Administrative Agent responsible for the transactions contemplated by the Credit Documents shall have received written notice from such Lender prior to the Borrowings hereunder specifying its objection thereto and such Lender shall not have made available to the applicable Administrative Agent such Lender's ratable portion of such Borrowings.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES

Each Credit Party jointly and severally represents and warrants as follows:

Section 4.1. Organization. Each Restricted Entity is duly organized and validly existing and in good standing (to the extent such concept is applicable) under the laws of its jurisdiction of incorporation or formation. Each Restricted Entity is authorized to do business and is in good standing in all jurisdictions in which such qualifications or authorizations are necessary except where the failure to be so qualified or authorized could not reasonably be expected to result in a Material Adverse Change. As of the Closing Date, each Restricted Entity's type of organization and jurisdiction of incorporation or formation are set forth on Schedule 4.1.

Section 4.2. Authorization. The execution, delivery, and performance by each Credit Party of each Credit Document to which such Credit Party is a party (a) are within such Credit Party's corporate, limited liability company or partnership powers, as applicable, (b) have been duly authorized by all necessary corporate, limited liability company or partnership action, as applicable, (c) do not contravene any articles or certificate of incorporation or bylaws, partnership or limited liability company agreement, as applicable, binding on or affecting such Credit Party, other than those for which waivers or consents have been obtained, (d) do not contravene any law or any material contractual obligation binding on or affecting such Credit Party, (e) do not result in or require the creation or imposition of any Lien prohibited by this Agreement, and (f) do not require any authorization or approval or other action by, or any notice or filing with, any Governmental Authority other than (i) those that have been obtained and (ii) filings necessary to perfect Liens created pursuant to the Credit Documents. Section 4.3. Enforceability. The Credit Documents have each been duly executed and delivered by each Credit Party that is a party thereto and each Credit Document constitutes the legal, valid, and binding obligation of each Credit Party that is a party thereto enforceable against such Credit Party in accordance with its terms, except as limited by applicable Debtor Relief Laws at the time in effect affecting the rights of creditors generally and by general principles of equity whether applied by a court of law or equity.

Section 4.4. Financial Condition.

(a) The Credit Parties have delivered to the US Administrative Agent the financial statements required under Section 3.1(h), and such financial statements have been prepared in accordance with GAAP (except as otherwise expressly noted therein) and present fairly in all material respects the consolidated financial condition of the Persons covered thereby as of the respective dates thereof and the results of their operations and cash flows for the periods then ended. As of the date of the aforementioned financial statements, there were no material contingent obligations, liabilities for taxes, unusual forward or long-term commitments, or unrealized or anticipated losses of the applicable Persons required to be disclosed in accordance with GAAP, except as disclosed therein and adequate reserves for such items have been made in accordance with GAAP.

As of the Closing Date, and after giving effect to the Transactions, no Restricted Entity owns any real property other than those listed on Schedule 4.5 and all equipment and Inventory owned by any Credit Party are located at the fee owned or leased real property listed on Schedule 4.5 other than (i) office equipment and equipment located on jobsites, in transit or off location for servicing, repairs or modifications, and (ii) Inventory held at Inventory processors and Inventory located on premises owned or operated by the customer that is to purchase such Inventory.

Section 4.6. True and Complete Disclosure. As of the Closing Date, all written factual information, other than forward looking information and projections and information of a general economic nature and general industry information about any Credit Party, prepared by or on behalf of each Credit Party and furnished to the US Administrative Agent or the Lenders for purposes of or in connection with this Agreement, any other Credit Document or any transaction contemplated hereby or thereby does not, when furnished and taken as a whole, contain any material misstatement of fact or omit to state any material fact necessary to make the statements therein not materially misleading. All projections, estimates, budgets, and pro forma financial information furnished by each Credit Party (or on behalf of such Credit Party), were prepared in good faith based on assumptions believed to be reasonable at the time such projections, estimates, and pro forma financial information were furnished, it being recognized by the US Administrative Agent and each Lender that such projections, estimates, budgets, and pro forma financial information are not to be viewed as facts and are subject to significant uncertainties and contingencies many of which are beyond the control of the Parent or its Subsidiaries, that no assurances can be given that any particular financial projections will be realized, that actual results may vary materially from the projections furnished

Section 4.7. Litigation. There are no actions, suits, or proceedings pending or, to any Credit Party's knowledge, threatened in writing against any Restricted Entity, at law, in equity, or by or before any Governmental Authority, which could reasonably be expected to result in a Material Adverse Change. Additionally, except as disclosed in writing to the US Administrative Agent and the Lenders, there is no pending or, to the knowledge of any Responsible Officer of any Credit Party, any action or proceeding instituted or threatened in writing against any Restricted Entity which seeks to adjudicate any Restricted Entity as bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any Debtor Relief Laws, or seeking the entry of an order for relief or the appointment of a receiver, trustee or other similar official for it or for any substantial part of its Property.

Section 4.8. Compliance with Agreements.

- (b) No Default has occurred and is continuing.

Section 4.9. Pension Plans. (a) Except for matters that could not reasonably be expected to result in a Material Adverse Change, all Plans and Multiemployer Plans are in compliance with all applicable provisions of ERISA, (b) no Termination Event has occurred with respect to any Plan that would result in an Event of Default under Section 7.1(i), and, except for matters that could not reasonably be expected to result in a Material Adverse Change, each Plan has complied with and been administered in accordance with applicable provisions of ERISA and the Code, (c) no unpaid minimum required contribution exists, and there has been no excise tax imposed under Section 4971 of the Code, in each case, except as could not reasonably be expected to result in liability exceeding \$1,000,000, (d) the present value of all benefits vested under each Plan (based on the assumptions used to fund such Plan) did not, as of the last annual valuation date applicable thereto, exceed the value of the assets of such Plan allocable to such vested benefits in an amount that could reasonably be expected to result in a Material Adverse Change, (e) no Restricted Entity nor any member of the Controlled Group has had a complete or partial withdrawal from any Multiemployer Plan for which there is any unsatisfied withdrawal liability that could reasonably be expected to result in a Material Adverse Change or an Event of Default under Section 7.1(j), and (f) no Restricted Entity nor any member of the Controlled Group has incurred any liability as a result of a Multiemployer Plan being in reorganization or insolvent that could reasonably be expected to result in a Material Adverse Change. Based upon GAAP existing as of the Closing Date and current factual circumstances as of the Closing Date, no Restricted Entity has any reason to believe that the annual cost during the term of this Agreement to any Restricted Entity for post-retirement benefits to be provided to the current and former employees of any Restricted Entity under Plans that are welfare benefit plans (as defined in Section 3(1) of ERISA) could, in the aggregate, reasonably be expected to cause a Material Adverse Change.

- (a) Permits, Etc. Each Restricted Entity (i) has obtained all material Environmental Permits necessary for the ownership and operation of its Property and the conduct of its businesses; (ii) has at all times been (or any noncompliance prior to the Closing Date has been cured) and is now in material compliance with all terms and conditions of such Environmental Permits and with all other material requirements of applicable Environmental Laws; (iii) has not received written notice of any material violation or alleged material violation of any Environmental Law or Environmental Permit which remains outstanding; and (iv) is not subject to any actual or contingent Environmental Claim which could reasonably be expected to cause a Material Adverse Change.

(c) Certain Actions. Without limiting the foregoing, (i) all necessary notices have been properly filed, and no further action is required under current applicable Environmental Law as to each Response or other environmental restoration or remedial project undertaken by any Credit Party, any Restricted Entity or, to any Credit Party's knowledge, any Restricted Entity's former Subsidiaries on any of their presently or formerly owned or operated Property, except with respect to any of the foregoing to the extent that the failure to take such action could not reasonably be expected to result in any Restricted Entity or any Lending Party incurring liability in excess of \$1,000,000 and (ii) the present and, to the Credit Parties' best knowledge, future liability, if any, of any Restricted Entity which could reasonably be expected to arise in connection with requirements under Environmental Laws will not result in a Material Adverse Change.

Section 4.11. Subsidiaries. As of the Closing Date, the Parent has no Subsidiaries other than those listed on Schedule 4.11.

Section 4.12. Investment Company Act. No Restricted Entity is an "investment company" or a company "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940.

Section 4.13. Taxes.

(a) Proper and accurate (in all material respects) federal and all material state, local and foreign tax returns, reports and statements required to be filed (after giving effect to any extension granted in the time for filing) by any Restricted Entity or any member of the affiliated group in which any Restricted Entity is included, if any, as determined under Section 1504 of the Code (hereafter collectively called the "Tax Group") have been filed with the appropriate Governmental Authorities, and all taxes (which are material in amount) due and payable have been timely paid prior to the date on which any fine, penalty, interest, late charge or loss (which is material in amount) may be added thereto for non-payment thereof except where contested in good faith and by appropriate proceeding and for which adequate reserves have been established in compliance with GAAP.

(b) Proper and accurate amounts have been withheld by each Restricted Entity (including withholdings from employee wages and salaries relating to Canadian Benefit Plans contributions) and all other members of the Tax Group from their employees for all periods to comply in all material respects with the tax, social security and unemployment withholding provisions of applicable federal, state, local and foreign law, except where contested in good faith and by appropriate proceedings and for which adequate reserves have been established in compliance with GAAP.

Section 4.14. Permits, Licenses, etc. Each Restricted Entity possesses all permits, licenses, patents, patent rights or licenses, trademarks, trademark rights, trade names rights, and copyrights which are material to the conduct of its business. Each Restricted Entity manages and operates its business in accordance with all applicable Legal Requirements except where the failure to so manage or operate could not reasonably be expected to result in a Material Adverse Change; provided that this Section 4.14 does not apply with respect to Environmental Permits.

Section 4.15. Regulations T, U and X. No Restricted Entity is engaged principally or as one of its activities in the business of extending credit for the purpose of “purchasing” or “carrying” any “margin stock” (as each such term is defined or used, directly or indirectly, in Regulation U of the Federal Reserve Board). No part of the proceeds of any of the Advances or Letters of Credit will be used for purchasing or carrying margin stock or for any purpose which violates the provisions of Regulation T, U or X. Following the application of the proceeds of each Advance, not more than twenty-five percent (25%) of the value of the assets of the Credit Parties will be “margin stock”.

Section 4.16. Insurance. Each Restricted Entity carries insurance (which may be carried by the Restricted Entities on a consolidated basis) with reputable insurers in respect of such of their respective Properties and liabilities, in such amounts and against such risks as is customarily maintained by other Persons of similar size engaged in similar businesses in accordance with Section 5.3.

Section 4.17. Security Interest. Each Credit Party has authorized (as necessary) the filing of financing statements sufficient when filed to perfect the Lien created by the Security Documents. When such financing statements are filed in the offices noted therein, the US Administrative Agent will have a valid and perfected security interest in all US Collateral that is capable of being perfected by filing financing statements. When such PPSA filings are filed in the offices noted therein, the Canadian Administrative Agent will have a valid and perfected security interest in all Canadian Collateral that is capable of being perfected by filing PPSA filings.

(b) No Credit Party will, directly or, to its knowledge, indirectly, use the proceeds of the Advances or the proceeds of any Letter of Credit, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other Person (i) to fund any activities or business of or

with any Person, or in any country or territory, that, at the time of such funding, is itself, or whose government is itself, the subject of Sanctions, except to the extent otherwise approved by OFAC, the U.S. Department of State and all other relevant Sanctions authorities or (ii) in any other manner that would result in a violation of Sanctions by any Person (including any Person participating in the Advances, whether as underwriter, advisor, investor, or otherwise).

Each Credit Party hereby authorizes the Administrative Agents to file any financing statements to the extent permitted by applicable Legal Requirement in order to perfect or maintain the perfection of any security interest granted under any of the Credit Documents. Each Credit Party at its expense will, and will cause each Restricted Subsidiary that is a Credit Party to, promptly execute and deliver to the Administrative Agents upon reasonable request by the Administrative Agents all such other documents, agreements and instruments to comply with or accomplish the covenants and agreements of any Credit Party or Restricted Subsidiary, as the case may be, in the Credit Documents (to the extent related to collateral), or to further evidence and more fully describe the collateral intended as security for the applicable Secured Obligations, or to correct any omissions in the Security Documents, or to state more fully the security obligations set out herein or in any of the Security Documents, or to perfect, protect or preserve any Liens created pursuant to any of the Security Documents, or to make any recordings, to file any notices or obtain any consents, all as may be necessary or appropriate in connection therewith or to enable the applicable Administrative Agent to exercise and enforce its rights and remedies with respect to any Collateral.

Section 5.11. Designations with Respect to Subsidiaries.

(a) Unless designated in writing to the US Administrative Agent pursuant to this Section, any Person that becomes a Subsidiary of any Restricted Entity after the Closing Date, other than a Subsidiary of a Person designated in writing to the US Administrative Agent pursuant to this Section, shall be classified as a Restricted Subsidiary.

(b) The Parent may designate from time to time and at any time any Subsidiary acquired or created after the Closing Date as an Unrestricted Subsidiary if (i) immediately before and after such designation, no Default or Event of Default exists, (ii) immediately after giving effect to such designation on a pro forma basis, the Restricted Entities would have been in compliance with all of the covenants contained in this Agreement, including, without limitation, Section 6.16 as of the end of the most recent fiscal quarter, (iii) no Subsidiary may be designated as an Unrestricted Subsidiary if it is a “restricted subsidiary” for purposes of any indenture, credit agreement or similar agreement that contains the concept of “restricted” and “unrestricted” subsidiaries, and (iv) the Parent has delivered the certificate and the Financial Statements required under clause (d) below.

(c) The Parent may designate from time to time and at any time an Unrestricted Subsidiary to be a Restricted Subsidiary if (i) immediately before and after such designation, no Default or Event of Default exists, (ii) immediately after giving effect to such designation on a pro forma basis, the Restricted Entities would have been in compliance with all of the covenants contained in this Agreement, including, without limitation, Section 6.16 as of the end of the most recent fiscal quarter and (iii) the Parent has delivered the certificate required under clause (d) below.

The designation of any Unrestricted Subsidiary to be a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Debt or Liens of such Subsidiary existing at such time.

(g) The Parent may not designate any Restricted Subsidiary existing on the Closing Date to be an Unrestricted Subsidiary. For the avoidance of doubt, neither Borrower shall be an Unrestricted Subsidiary.

(h) If, at any time, any Unrestricted Subsidiary would fail to meet the requirements of clause (a) of the definition of “Unrestricted Subsidiary”, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Agreement and any Debt and Liens of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Parent as of such date and, if such Debt and/or Liens are not permitted to be incurred as of such date under Section 6.1 and/or Section 6.2, hereof, as applicable, the Parent will be in default of such covenant.

Section 5.13. Permits, Licenses, etc. Each Credit Party shall, and shall cause each of its Restricted Subsidiaries to, possess and maintain all licenses, patents, patent rights or licenses, trademarks, trademark rights, trade names and copyrights except to the extent that the failure to maintain or possess the foregoing could not reasonably be expected to result in a Material Adverse Change.

Section 5.14. OFAC; Anti-Terrorism. The Parent will maintain in effect policies and procedures designed to facilitate compliance by the Parent, its Subsidiaries and their respective directors, officers and employees with Anti-Corruption Laws and applicable Sanctions.

Section 5.15. Appraisals; Field Exams.

No notice to or demand upon any Borrower or any other Credit Party shall entitle any Borrower or any other Credit Party to similar notices or demands in the future.

Section 7.6. Application of Payments.

(a) Prior to an Event of Default. Notwithstanding the foregoing, Secured Obligations arising under Hedging Arrangements and Banking Services Obligations shall be excluded from the application described above if the US Administrative Agent has not received written notice thereof, together with such supporting documentation as the US Administrative Agent may request, from the applicable Swap Counterparty and Banking Services Provider, as the case may be. Each Swap Counterparty and Banking Services Provider not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the US Administrative Agent pursuant to the terms of Article 8 for itself and its Affiliates as if a "Lender" party hereto.

Last, the balance, if any, after all of the Canadian Secured Obligations have been indefeasibly paid in full, to the Canadian Borrower or as otherwise required by applicable Legal Requirements.

Notwithstanding the foregoing, Canadian Secured Obligations arising under Hedging Arrangements and Banking Services Obligations shall be excluded from the application described above if the Canadian Administrative Agent has not received written notice thereof, together with such supporting documentation as the Canadian Administrative Agent may request, from the applicable Swap Counterparty and Banking Services Provider, as the case may be. Each Swap Counterparty and Banking Services Provider not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Canadian Administrative Agent pursuant to the terms of Article 8 for itself and its Affiliates as if a "Lender" party hereto.

Section 7.7. Equity Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 7.1(c)(i), in the event of any Event of Default under the covenant set forth in Section 6.16(a) (Leverage Ratio) or the covenant set forth in Section 6.16(b) (Interest Coverage Ratio), and in each case until the expiration of the fifteenth (15th) Business Day after the date on which financial statements are required to be delivered pursuant to

Section 5.2(a) or (b) with respect to the applicable fiscal quarter hereunder, the Parent may sell or issue common Equity Interests (or other Equity Interests on terms reasonably acceptable to the Administrative Agent) of the Parent to any of its Equity Interest holders (to the extent such transaction would not result in a Change of Control) or obtain cash capital contributions on account of common Equity Interests (or other Equity Interests on terms reasonably acceptable to the Administrative Agent) of the Parent (each a "Covenant Cure Payment"), and apply the Equity Issuance Proceeds thereof or such cash capital contributions to (x) increase EBITDA with respect to such applicable quarter (and include it as EBITDA in such quarter for any four fiscal quarter period including such quarter) and (y) prepay the Debt in accordance with Section 2.5(c)(ix), thereupon the Parent's compliance with the covenants set forth in Sections 6.16 shall be recalculated giving pro forma effect to such increase in EBITDA; provided that (i) such Equity Issuance Proceeds or cash capital contributions are actually received by the Parent no later than fifteen (15) Business Days after the date on which financial statements are required to be delivered pursuant to Section 5.2(a) or (b) with respect to such fiscal quarter hereunder, (ii) the amount of such Equity Issuance Proceeds included as EBITDA for any such fiscal quarter shall not exceed the greater of (1) the minimum amount necessary to cause the maximum Leverage Ratio on a pro forma basis after giving effect to the cure provided herein, to be in compliance under Section 6.16(a) for the applicable period and (2) the minimum amount necessary to cause the minimum Interest Coverage Ratio on a pro forma basis after giving effect to the cure provided herein, to be in compliance under Section 6.16(b) for any applicable period, and (iii) such Equity Issuance Proceeds or contribution must be applied in accordance with Section 2.5(c)(ix). Upon the Administrative Agent's receipt of a written notice from the Parent that the Parent intends to exercise a Cure Right (a "Notice of Intent to Cure") (together with the financial statements required pursuant to Section 5.2(a) or (b), as applicable, and the related Compliance Certificate required pursuant to Section 5.2(d) for the applicable fiscal period) until the earlier to occur of (i) the date on which the Administrative Agent is notified by the Parent that such Cure Right will not be consummated and (ii) the date that is sixteen (16) Business Days after the date on which the applicable financial statements are required to be delivered pursuant to Section 5.2(a) or (b), neither the Administrative Agent (nor any sub-Agent therefor) nor any Lender nor any other Secured Party shall (x) exercise any right to accelerate the Advances or terminate the Revolving Commitments, (y) impose interest at the Default Rate, or (z) exercise any right to foreclose on or take possession of the Collateral, or any other right or remedy under the Credit Documents, in each case, solely on the basis of the failure to comply with Sections 6.16(a) or (b) (as applicable) (it being understood that, notwithstanding the foregoing, any such failure to comply with Sections 6.16(a) or (b) (as applicable) shall still constitute a Default for all other purposes (other than for purposes of Section 9.7(b)(iii)(A)) under this Agreement and the other Loan Documents until such failure to comply is cured in accordance with this Section 7.7). Subject to the terms set forth above and the terms in clauses (b) and (c) below, upon (A) application of the Equity Issuance Proceeds as provided above within the fifteen (15) Business Day period described above in such amounts sufficient to cure the applicable breach of Section 6.16 or Section 6.20, as applicable, and (B) delivery of an updated Compliance Certificate executed by a Responsible Officer of the Borrower to the Administrative Agent reflecting compliance with the applicable covenants, any Events of Default relating to such covenants shall be deemed cured for all purposes of the Credit Agreement and the other Credit Documents and no longer in existence and such covenants shall be deemed satisfied as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply therewith at such date.

(b) The parties hereby acknowledge and agree that (i) this Section 7.7 may not be relied on for purposes of calculating any financial ratios or other conditions or compliance hereunder other than the Leverage Ratio covenant set forth in Section 6.16(a) and the Interest Coverage Ratio set forth in Section 6.16(b), (ii) the application of proceeds from the Covenant Cure Payment shall not result in any pro forma reduction of the amount of Debt for the fiscal quarter in which such payment was made (other than with respect to any future period which includes such fiscal quarter), and (iii) any determination of the

Leverage Ratio for purposes of determining pricing or for any other calculations from time to time subject to the Leverage Ratio or Interest Coverage Ratio shall be made without giving effect to the application of the Covenant Cure Payment and corresponding adjustment to EBITDA.

(c) In each period of four consecutive fiscal quarters, (i) there shall be at least two (2) fiscal quarters in which no Covenant Cure Payment is made, and (ii) a Covenant Cure Payment may not be made in any two (2) consecutive quarters.

Section 7.8. Currency Conversion After Maturity. At any time following the occurrence and during the continuance of an Event of Default and the acceleration of the Obligations owed to the Lenders hereunder, the Lenders shall be entitled to convert, with two (2) Business Days' prior notice to the applicable Borrower, any and all or any part of the then unpaid and outstanding Advances denominated in a Foreign Currency into Advances denominated in Dollars. Any such conversion shall be calculated so that the principal amount of the resulting Advances shall be the Dollar Equivalent of the principal amount of the Advance being converted on the date of conversion. Any accrued and unpaid interest denominated in such Foreign Currency at the time of any such conversion shall be similarly converted to Dollars, and such converted Advances and accrued and unpaid interest thereon shall thereafter bear interest in accordance with the terms hereof.

ARTICLE 8 THE ADMINISTRATIVE AGENTS

Section 8.1. Appointment, Powers, and Immunities.

(a) Appointment and Authority. Each of the Lenders and the Issuing Lender hereby irrevocably appoints Wells Fargo to act on its behalf as the US Administrative Agent hereunder and under the other Credit Documents and authorizes the US Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the US Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each of the Canadian Facility Lenders hereby irrevocably appoints Wells Fargo (Canada) to act on its behalf as the Canadian Administrative Agent hereunder and under the other Credit Documents and authorizes the Canadian Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Canadian Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article 8 are solely for the benefit of the Administrative Agents, the Lenders and the Issuing Lender, and neither Borrower nor any Affiliate thereof shall have any rights as a third party beneficiary of any of such provisions (other than with respect to this Section 8.1(a) and Sections 8.6, 8.7 and 8.9). It is understood and agreed that the use of the term "agent" herein or in any other Credit Documents (or any other similar term) with reference to either Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Legal Requirement. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) Rights as a Lender. The Person serving as an Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and as the Issuing Lender as any other Issuing Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender," "Lenders," and "Issuing Lender," shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for, make investments in, and generally engage in any

kind of business with any Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Administrative Agent hereunder and without any duty to account therefor to the Lenders. Wells Fargo (and any successor acting as Administrative Agent) and its Affiliates may accept fees and other consideration from any Borrower or any of its Subsidiaries or Affiliates for services in connection with this Agreement or otherwise without having to account for the same to the Lenders or the Issuing Lender.

(c) Exculpatory Provisions. No Administrative Agent (which term as used in this clause (c) and in Section 8.5 and the first sentence of Section 8.6 shall include its Related Parties) shall have any duties or obligations except those expressly set forth herein and in the other Credit Documents. Without limiting the generality of the foregoing, no Administrative Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that any Administrative Agent is required to exercise as directed in writing by the US Majority Lenders or Canadian Majority Lenders, as applicable (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that no Administrative Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose any Administrative Agent to liability or that is contrary to any Credit Document or applicable law; and

(iii) shall, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, nor shall be liable for the failure to disclose, any information relating to any Borrower or any Affiliate thereof that is communicated to or obtained by the Person serving as an Administrative Agent or any of its Affiliates in any capacity.

No Administrative Agent shall be liable to the other Lending Parties for any action taken or not taken by it (i) with the consent or at the request of the US Majority Lenders or Canadian Majority Lenders, as applicable (or such other number or percentage of the Lenders as shall be necessary, or as the applicable Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 7.2 and 7.3) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment. Each Administrative Agent shall be deemed not to have knowledge of or notice of the occurrence of any Default unless and until written notice describing such Default is given to such Administrative Agent by the US Borrower, a Lender or the Issuing Lender and specifying such notice as a "Notice of Default". In the event that an Administrative Agent receives such a notice of the occurrence of a Default, such Administrative Agent shall (subject to Section 9.3) take such action with respect to such Default or Event of Default as shall reasonably be directed by the Majority Lenders; provided that, unless and until such Administrative Agent shall have received such directions, such Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interest of the Secured Parties.

No Administrative Agent shall be responsible for, or have any duty to ascertain or inquire into, (i) any recital, statement, warranty or representation (whether written or oral) made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the value, validity, enforceability, effectiveness, enforceability,

sufficiency or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, (v) the inspection of, or to inspect, the Property (including the books and records) of any Restricted Entity or any of their respective Subsidiaries or Affiliates, (vi) the satisfaction of any condition set forth in Article 3 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Administrative Agent, or (vii) any litigation or collection proceedings (or to initiate or conduct any such litigation or proceedings) under any Credit Document unless requested by the Majority Lenders in writing and it receives indemnification satisfactory to it from the Lenders.

Section 8.2. Reliance by Administrative Agent. Each Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, writing or other communication (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Advance, Conversion of any Advance or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the Issuing Lender, each Administrative Agent may presume that such condition is satisfactory to such Lender or the Issuing Lender unless such Administrative Agent shall have received notice to the contrary from such Lender or the Issuing Lender prior to the making of such Advance, Conversion of such Advance or the issuance of such Letter of Credit. Each Administrative Agent may consult with legal counsel (who may be counsel for any Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 8.3. Delegation of Duties. Each Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by such Administrative Agent. Each Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article 8 shall apply to any such sub-agent and to the Related Parties of each Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 8.4. Indemnification.

(a) THE LENDERS SEVERALLY AGREE TO INDEMNIFY EACH ADMINISTRATIVE AGENT AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS (TO THE EXTENT NOT REIMBURSED BY THE BORROWERS), RATABLY ACCORDING TO THE RESPECTIVE PRINCIPAL AMOUNTS OF THE ADVANCES THEN HELD BY EACH OF THEM (OR IF NO PRINCIPAL OF THE ADVANCES IS AT THE TIME OUTSTANDING, RATABLY ACCORDING TO THE RESPECTIVE AMOUNTS OF THE COMMITMENTS THEN HELD BY EACH OF THEM, OR, IF NO COMMITMENTS ARE THEN EXISTING, RATABLY ACCORDING TO THE COMMITMENTS HELD BY EACH OF THEM IMMEDIATELY PRIOR TO THE TERMINATION, EXPIRATION OR FULL REDUCTION OF EACH SUCH COMMITMENT), FROM AND AGAINST ANY AND ALL LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES, OR DISBURSEMENTS OF ANY KIND OR NATURE WHATSOEVER WHICH MAY BE IMPOSED ON, INCURRED BY, OR ASSERTED AGAINST SUCH ADMINISTRATIVE AGENT OR ANY OF ITS

RELATED PARTIES IN ANY WAY RELATING TO OR ARISING OUT OF THIS AGREEMENT, ANY OTHER CREDIT DOCUMENT OR ANY ACTION TAKEN OR OMITTED BY SUCH ADMINISTRATIVE AGENT OR ANY RELATED PARTY THEREOF UNDER THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT (IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF SUCH ADMINISTRATIVE AGENT), AND INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL LIABILITIES, PROVIDED THAT NO LENDER SHALL BE LIABLE FOR ANY PORTION OF SUCH LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES, OR DISBURSEMENTS FOUND IN A FINAL, NON-APPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH INDEMNIFIED PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. WITHOUT LIMITATION OF THE FOREGOING, EACH LENDER AGREES TO REIMBURSE SUCH ADMINISTRATIVE AGENT PROMPTLY UPON DEMAND FOR ITS RATABLE SHARE (DETERMINED AS SET FORTH ABOVE IN THIS PARAGRAPH) OF ANY OUT-OF-POCKET EXPENSES (INCLUDING COUNSEL FEES) INCURRED BY SUCH ADMINISTRATIVE AGENT IN CONNECTION WITH THE PREPARATION, EXECUTION, DELIVERY, ADMINISTRATION, MODIFICATION, AMENDMENT, OR ENFORCEMENT (WHETHER THROUGH NEGOTIATIONS, LEGAL PROCEEDINGS, OR OTHERWISE) OF, OR LEGAL ADVICE IN RESPECT OF RIGHTS OR RESPONSIBILITIES UNDER, THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, TO THE EXTENT THAT SUCH ADMINISTRATIVE AGENT IS NOT REIMBURSED FOR SUCH BY THE BORROWERS.

(b) THE US FACILITY LENDERS SEVERALLY AGREE TO INDEMNIFY THE ISSUING LENDER AND EACH AFFILIATE THEREOF AND THEIR RESPECTIVE RELATED PARTIES (TO THE EXTENT NOT REIMBURSED BY THE BORROWERS), RATABLY ACCORDING TO THE RESPECTIVE PRINCIPAL AMOUNTS OF THE US ADVANCES THEN HELD BY EACH OF THEM (OR IF NO PRINCIPAL OF THE US ADVANCES IS AT THE TIME OUTSTANDING, RATABLY ACCORDING TO THE RESPECTIVE AMOUNTS OF THE US COMMITMENTS THEN HELD BY EACH OF THEM, OR, IF NO SUCH PRINCIPAL AMOUNTS ARE THEN OUTSTANDING AND NO US COMMITMENTS ARE THEN EXISTING, RATABLY ACCORDING TO THE US COMMITMENTS HELD BY EACH OF THEM IMMEDIATELY PRIOR TO THE TERMINATION OR EXPIRATION THEREOF), FROM AND AGAINST ANY AND ALL LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES, OR DISBURSEMENTS OF ANY KIND OR NATURE WHATSOEVER WHICH MAY BE IMPOSED ON, INCURRED BY, OR ASSERTED AGAINST THE ISSUING LENDER OR ANY OF ITS RELATED PARTIES IN ANY WAY RELATING TO OR ARISING OUT OF THIS AGREEMENT, ANY OTHER CREDIT DOCUMENT OR ANY ACTION TAKEN OR OMITTED BY THE ISSUING LENDER OR ANY RELATED PARTY THEREOF UNDER THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT (**IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE ISSUING LENDER**), AND INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL LIABILITIES, PROVIDED THAT NO US FACILITY LENDER SHALL BE LIABLE FOR ANY PORTION OF SUCH LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES, OR DISBURSEMENTS FOUND IN A FINAL, NON-APPEALABLE JUDGMENT BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH INDEMNIFIED PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. WITHOUT LIMITATION OF THE FOREGOING, EACH US FACILITY LENDER AGREES TO REIMBURSE THE ISSUING LENDER PROMPTLY UPON DEMAND FOR ITS RATABLE SHARE (DETERMINED AS SET FORTH ABOVE IN THIS PARAGRAPH) OF ANY OUT-OF-POCKET EXPENSES (INCLUDING COUNSEL FEES)

INCURRED BY THE ISSUING LENDER IN CONNECTION WITH THE PREPARATION, EXECUTION, DELIVERY, ADMINISTRATION, MODIFICATION, AMENDMENT, OR ENFORCEMENT (WHETHER THROUGH NEGOTIATIONS, LEGAL PROCEEDINGS, OR OTHERWISE) OF, OR LEGAL ADVICE IN RESPECT OF RIGHTS OR RESPONSIBILITIES UNDER, THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, TO THE EXTENT THAT THE ISSUING LENDER IS NOT REIMBURSED FOR SUCH BY THE BORROWERS.

Section 8.5. Non-Reliance on Administrative Agent and Other Lenders. Each Lender and the Issuing Lender agrees that it has, independently and without reliance on any Administrative Agent (which term as used in this Section 8.5 shall include its Related Parties) or any other Lender or any other Issuing Lender, and based on such documents and information as it has deemed appropriate, made its own credit analysis of the Borrowers, the other Credit Parties and the Subsidiaries and decision to enter into this Agreement and that it will, independently and without reliance upon any Administrative Agent or any other Lender or any other Issuing Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under the Credit Documents. Except for notices, reports, and other documents and information expressly required to be furnished to the Lenders or the Issuing Lender by the Administrative Agents hereunder, no Administrative Agent shall have any duty or responsibility to provide any Lender or the Issuing Lender with any credit or other information concerning the affairs, financial condition, or business of any Credit Party or any of its Subsidiaries or Affiliates that may come into the possession of such Administrative Agent or any of its Affiliates.

Section 8.6. Resignation of Administrative Agent, Issuing Lender or Swing Line Lender.

(a) Each Administrative Agent and the Issuing Lender may at any time give notice of its resignation to the other applicable Lender Parties and the Borrowers. Upon receipt of any such notice of resignation, (i) the US Majority Lenders shall have the right, with the prior written consent of the US Borrower (which consent is not required if an Event of Default has occurred and is continuing and which consent shall not be unreasonably withheld or delayed), to appoint a successor US Administrative Agent, which may not be a Defaulting Lender, (ii) the US Majority Lenders shall have the right, with the prior written consent of the US Borrower (which consent is not required if an Event of Default has occurred and is continuing and which consent shall not be unreasonably withheld or delayed) to appoint a successor Issuing Lender, which shall be a Lender but not a Defaulting Lender, and (iii) the Canadian Majority Lenders shall have the right, with the prior written consent of the Canadian Borrowers (which consent is not required if an Event of Default has occurred and is continuing and which consent shall not be unreasonably withheld or delayed), to appoint a successor Canadian Administrative Agent, which may not be a Defaulting Lender. If no such successor US Administrative Agent, Canadian Administrative Agent or Issuing Lender, as applicable, shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent or Issuing Lender gives notice of its resignation (or such earlier day as may be agreed by the US Majority Lenders or Canadian Majority Lenders, as applicable, and, if no Event of Default then exists, the US Borrower) (the "Resignation Closing Date"), then the retiring Administrative Agent or the retiring Issuing Lender, as applicable, may on behalf of the applicable Lenders and the Issuing Lender, appoint a successor agent or issuing lender meeting the qualifications set forth above. Whether or not a successor has been appointed, if the retiring Administrative Agent shall notify the US Borrower and the Lenders that no qualifying Person has accepted such appointment, such resignation by an Administrative Agent or the Issuing Lender shall become effective in accordance with such notice on the Resignation Closing Date.

(b) If the Person serving as an Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the applicable Majority Lenders may, to the extent permitted by

applicable Legal Requirement, by notice in writing to the US Borrower and such Person remove such Person as US Administrative Agent, Canadian Administrative Agent, as applicable, and, in consultation with the US Borrower, appoint a successor (which such successor shall be acceptable to the US Borrower absent an Event of Default and, in any case, may not be a Disqualified Institution or Defaulting Lender). If no such successor shall have been so appointed by the applicable Majority Lenders and shall have accepted such appointment within 30 days after such notice of removal is given (or such earlier day as may be agreed by the applicable Majority Lenders and, if no Event of Default then exists, the US Borrower) (the "Removal Closing Date"), if the applicable Majority Lenders shall notify the US Borrower and the Lenders that no qualifying Person has accepted such appointment, then such removal shall nonetheless become effective in accordance with such notice on the Removal Closing Date.

(c) With effect from the Resignation Closing Date or the Removal Closing Date (as applicable), (i) the retiring or removed Administrative Agent or Issuing Lender, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that (y) in the case of any Collateral held by any Administrative Agent on behalf of the applicable Secured Parties under any of the Credit Documents, the retiring or removed Administrative Agent shall continue to hold such Collateral until such time as a successor US Administrative Agent or Canadian Administrative Agent, as applicable, is appointed and (z) the retiring Issuing Lender shall remain the Issuing Lender with respect to any Letters of Credit outstanding on the effective date of its resignation and the provisions affecting the Issuing Lender with respect to such Letters of Credit shall inure to the benefit of the retiring Issuing Lender until the termination of all such Letters of Credit), and (ii) all payments, communications and determinations provided to be made by, to or through the retiring or removed US Administrative Agent or Canadian Administrative Agent or Issuing Lender, as applicable, shall instead be made by or to each applicable class of Lenders, until such time as the applicable Majority Lenders appoint a successor US Administrative Agent or Canadian Administrative Agent or Issuing Lender as provided for above in this Section 8.6. Upon the acceptance of a successor's appointment as US Administrative Agent or Canadian Administrative Agent or Issuing Lender hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed US Administrative Agent or Canadian Administrative Agent or Issuing Lender, as applicable, and the retiring or removed US Administrative Agent or Canadian Administrative Agent or Issuing Lender, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents, other than those that expressly survive the termination hereof. The fees payable by any applicable Borrower to a successor US Administrative Agent or Canadian Administrative Agent or Issuing Lender, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between such Borrower and such successor. After the retiring or removed US Administrative Agent or Canadian Administrative Agent's or Issuing Lender's resignation or removal hereunder and under the other Credit Documents, the provisions of this Article 8, and Section 2.2(g) shall continue in effect for the benefit of such retiring or removed US Administrative Agent or Canadian Administrative Agent and Issuing Lender, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed US Administrative Agent or Canadian Administrative Agent or Issuing Lender, as applicable, was acting as US Administrative Agent or Canadian Administrative Agent or Issuing Lender.

(d) The Swing Line Lender may resign at any time by giving 30 days' prior notice to the US Administrative Agent and the US Borrower. After the resignation of the Swing Line Lender hereunder, the retiring Swing Line Lender shall remain a party hereto and shall continue to have all the rights and obligations of the Swing Line Lender under this Agreement and the other Credit Documents with respect to Swing Line Advances made by it prior to such resignation. Upon such notice of resignation, the US Borrower shall have the right to designate any other Lender as the Swing Line Lender with the consent of such Lender so long as operational matters related to the funding of Advances have been adequately addressed to the reasonable satisfaction of such new Swing Line Lender and the US Administrative Agent (if such new Swing Line Lender and the US Administrative Agent are not the same Person).

Section 8.7. Collateral Matters.

(a) The Administrative Agents are authorized on behalf of the applicable Secured Parties, without the necessity of any notice to or further consent from such Secured Parties, from time to time, to take any actions with respect to any Collateral or Security Documents which may be necessary to perfect and maintain the Liens upon the Collateral granted pursuant to the Security Documents. The Administrative Agents are further authorized (but not obligated) on behalf of the applicable Secured Parties, without the necessity of any notice to or further consent from such Secured Parties, from time to time, to take any action in exigent circumstances as may be reasonably necessary to preserve any rights or privileges of such Secured Parties under the Credit Documents or applicable Legal Requirements. By accepting the benefit of the Liens granted pursuant to the Security Documents, each Secured Party hereby agrees to the terms of this paragraph (a).

(b) The Lenders hereby, and any other Secured Party by accepting the benefit of the Liens granted pursuant to the Security Documents, irrevocably authorize the applicable Administrative Agent to (and at the written request of the US Borrower or Canadian Borrower, as applicable, the applicable Administrative Agent shall) (i) release any Lien granted to or held by such Administrative Agent upon any Collateral (A) upon the occurrence of the Termination Date; (B) constituting property sold or to be sold or Disposed of as part of or in connection with any Disposition permitted under this Agreement or any other Credit Document; (C) constituting property in which no Credit Party owned an interest at the time the Lien was granted or at any time thereafter (other than as a result of a Disposition prohibited under this Agreement); or (D) constituting property leased to any Credit Party under a lease which has expired or has been terminated in a transaction permitted under this Agreement or is about to expire and which has not been, and is not intended by such Credit Party to be, renewed or extended; and (ii) release a Guarantor from its obligations under the Guaranty and any other applicable Credit Document if such Person ceases to be a Subsidiary as a result of a transaction permitted under this Agreement or upon the occurrence of the Termination Date. Upon the request of the applicable Administrative Agent at any time, the applicable Secured Parties will confirm in writing such Administrative Agent's authority to release particular types or items of Collateral pursuant to this Section 8.7.

(c) Notwithstanding anything contained in any of the Credit Documents to the contrary, the Credit Parties, the Administrative Agents, and each Secured Party hereby agree that no Secured Party other than the Administrative Agents shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under the Guaranty and under the Security Documents may be exercised solely by the Administrative Agents for the benefit of the applicable Secured Parties in accordance with the terms hereof and the other Credit Documents. By accepting the benefit of the Liens granted pursuant to the Security Documents, each Secured Party not party hereto hereby agrees to the terms of this paragraph (c).

(d) Each Secured Party hereby authorizes the Canadian Administrative Agent, on behalf of the Canadian Facility Lenders and their respective Affiliates that are Canadian Secured Parties to, and the US Administrative Agent, on behalf of the US Facility Lenders and their respective Affiliates that are Secured Parties to, enter into an intercreditor agreement in form and substance reasonably acceptable to the Administrative Agents addressing certain intercreditor matters related to this Credit Agreement, it being understood and agreed that no Credit Party shall be a party to such intercreditor agreement or have any rights or obligations thereunder, nor shall the consent of any Credit Party be required with respect to any aspect thereof; provided that such intercreditor agreement shall not in any way modify the obligations

of any Credit Party or any of its Subsidiaries hereunder. A copy of such intercreditor agreement will be made available to each Secured Party on the Closing Date and thereafter upon request. Each Secured Party acknowledges and agrees to the terms of such intercreditor agreement and agrees that the terms thereof shall be binding on such Secured Party and its successors and assigns, as if it were a party thereto.

Section 8.8. No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the joint lead arrangers, bookrunner or any other agent named on the cover page to this Agreement (other than the Administrative Agents) shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the US Administrative Agent, the Canadian Administrative Agent, a Lender, Swing Line Lender or the Issuing Lender.

Section 8.9. Secured Hedging Agreements and Secured Cash Management Agreements. No Banking Services Provider or Swap Counterparty that obtains the benefits of Section 7.6 or any Collateral by virtue of the provisions hereof or of any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender, the Issuing Lender, Swing Line Lender or Administrative Agent, and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Agreement to the contrary, no Administrative Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Banking Services Obligations and Hedging Arrangements unless such Administrative Agent has received written notice of such Banking Services Obligations and Hedging Arrangements, together with such supporting documentation as such Administrative Agent may request, from the applicable Banking Services Provider or Swap Counterparty, as the case may be.

Section 8.10. Credit Bidding.

(a) The US Administrative Agent, on behalf of itself and the Secured Parties, shall have the right, at the direction of the Majority Lenders, to credit bid and purchase for the benefit of the US Administrative Agent and the Secured Parties all or any portion of Collateral at any sale thereof conducted by the US Administrative Agent under the provisions of the UCC, including pursuant to Sections 9-610 or 9-620 of the UCC, at any sale thereof conducted under the provisions of the United States Bankruptcy Code, including Section 363 thereof, or a sale under a plan of reorganization, or at any other sale or foreclosure conducted by the US Administrative Agent (whether by judicial action or otherwise) in accordance with Legal Requirements.

(b) Each Secured Party hereby agrees that, except as otherwise provided in any Credit Documents or with the written consent of the US Administrative Agent and the Majority Lenders, it will not take any enforcement action, accelerate obligations under any Credit Documents, or exercise any right that it might otherwise have under Legal Requirements to credit bid at foreclosure sales, UCC sales or other similar Dispositions of Collateral; provided that, for the avoidance of doubt, this subsection (b) shall not limit the rights of (i) any Swap Counterparty to terminate any Hedging Arrangement or net out any resulting termination values, or (ii) any Banking Service Provider to terminate any Banking Services or set off against any deposit accounts.

ARTICLE 9
MISCELLANEOUS

Section 9.1. Costs and Expenses.

(a) From and after the Closing Date, the US Borrower agrees to pay within 30 days of its receipt of a written demand accompanied by supporting documentation (except that fees and expenses incurred on or prior to the Closing Date shall be due and payable on the Closing Date so long as an invoice of the estimated amount thereof is provided to the US Borrower at least one Business Day prior to the Closing Date), (i) all actual and reasonable out-of-pocket expenses incurred by the US Administrative Agent and its Affiliates (including the reasonable and documented fees, charges and disbursements of one law firm serving as counsel for the Administrative Agents and its Affiliates, taken as a whole, and, if applicable, one law firm serving as local counsel for each applicable jurisdiction), in connection with the syndication of the US Facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Credit Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all actual and documented out-of-pocket expenses incurred by the Administrative Agents, Swing Line Lender, any Lender or Issuing Lender (including the fees and expenses of any counsel for the Administrative Agents, Swing Line Lender, any Lender or Issuing Lender) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Credit Documents, including its rights under this Section 9.1, or (B) in connection with the US Advances made or Letters of Credit issued hereunder, including all such actual and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such US Advances or Letters of Credit.

(b) From and after the Closing Date, the Canadian Borrower agrees to pay within 30 days of its receipt of a written demand accompanied by supporting documentation (except that fees and expenses incurred on or prior to the Closing Date shall be due and payable on the Closing Date so long as an invoice of the estimated amount thereof is provided to the Canadian Borrower at least one Business Day prior to the Closing Date), (i) all actual and reasonable out-of-pocket expenses incurred by the Canadian Administrative Agent and its Affiliates (including the reasonable and documented fees, charges and disbursements of one law firm serving as counsel for the Administrative Agents and its Affiliates, taken as a whole, and, if applicable, one law firm serving as local counsel for each applicable jurisdiction), in connection with the syndication of the Canadian Facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Credit Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all actual and documented out-of-pocket expenses incurred by the Administrative Agents, Swing Line Lender, any Lender or Issuing Lender (including the fees and expenses of any counsel for the Administrative Agents, Swing Line Lender, any Lender or Issuing Lender) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Credit Documents, including its rights under this Section 9.1, or (B) in connection with the Canadian Advances made or Letters of Credit issued hereunder, including all such actual and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Canadian Advances or Letters of Credit.

(c) Notwithstanding the foregoing, as to legal fees and expenses covered under this Section 9.1(b), to the extent that any of the Administrative Agents, the Lenders, the Swing Line Lender, and the Issuing Lender are the same Person or Affiliates thereof, the legal fees and expenses of such Person in all such applicable capacities shall be limited to (i) one law firm acting as counsel for such Person, (ii) if reasonably necessary, a single local law firm acting as counsel for such Person for each relevant jurisdiction, and (iii) in the case of an actual or potential conflict of interest, one additional law firm acting as counsel for each relevant jurisdiction for each affected capacity of such Person.

(d) Without prejudice to the survival of any other agreement of the Credit Parties hereunder, the agreements and obligations of the Credit Parties contained in this Section 9.1 shall survive the termination of this Agreement, the termination of all Commitments, and the payment in full of the Advances and all other amounts payable under this Agreement.

Section 9.2. Indemnification; Waiver of Damages.

(a) INDEMNIFICATION. Each Credit Party hereto agrees to, jointly and severally, indemnify and hold harmless each Lending Party and of their respective Related Parties (each, an “Indemnitee”) from and against any and all liabilities, damages, claims, costs, penalties and expenses (but in the case of legal fees and expenses, subject to the limitation set forth at the end of this paragraph) arising out of, in connection with, or as a result of (i) the execution or delivery of any agreement or instrument contemplated hereby or entered into in connection with the Transactions, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the Transactions, or, in the case of the Administrative Agents only, the administration of the Facilities, (ii) any proceeds of Advances or Letters of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged release of Hazardous Substance on or from any real property, or any Environmental Claim related in any way to any Credit Party (except to the extent the circumstance resulting in such or claims first occurs or first comes into existence after such real property has been transferred to the Lenders or their successors or permitted assigns as a result of a foreclosure, deed in lieu of foreclosure or similar transfer in connection with the exercise of remedies), or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Credit Party, and regardless of whether any Indemnitee is a party thereto; provided that no Indemnitee will have any right to indemnification under this Section 9.2(a) for (x) any liabilities, damages, claims, costs, penalties and expenses to the extent resulting from (A) such Indemnitee’s gross negligence, bad faith or willful misconduct or (B) any disputes solely among Indemnitees and not arising out of or in connection with (1) any Administrative Agent, the Lead Arranger, any other arranger, the Swing Line Lender or the Issuing Lender’s respective capacity or in fulfilling its role as an administrative agent, arranger, swing line lender or issuing lender, or any similar role under the Facilities or (2) any act or omission of any Borrower, Parent, or any of the foregoing’s respective Subsidiaries, or (y) any actual and direct damages incurred by any Credit Party resulting from a material breach by such Indemnitee of any non-funding obligation under the Credit Documents or a material breach of a funding obligation under the Credit Documents by such Indemnitee, in each case under the foregoing clause (x) and (y), as determined by a court of competent jurisdiction in a final non-appealable judgment. Notwithstanding the foregoing, if it is found by a final, non-appealable judgment of a court of competent jurisdiction in any such action, proceeding or investigation that any loss, claim, damage or liability of an Indemnitee has resulted from either (A) the gross negligence, bad faith, willful misconduct or such material breach of such Indemnitee or (B) any dispute solely among Indemnitees and not arising out of or in connection with (1) an Indemnitee’s respective capacity or in fulfilling its role as an administrative agent, issuing lender, swing line lender or arranger or any similar role hereunder or under the Facilities or (2) any act or omission of any Borrower, Parent, or any of the foregoing’s respective Subsidiaries, then such Indemnitee will refund or return such portion of the amounts paid by any Borrower that is directly attributable to the act or omission of such Indemnitee which is the subject of such finding. The legal fees and expenses covered by the foregoing indemnity obligations shall be limited to (x) other than as provided in clause (y) below, the reasonable and documented out-of-pocket fees, disbursements and other charges of (i) one law firm acting as counsel for all affected Indemnitees, taken as a whole, (ii) if reasonably necessary, a single local law firm acting as counsel for all affected Indemnitees taken as a whole in each relevant jurisdiction, and (iii) in the case of an actual or perceived conflict of interest, one additional law firm acting as counsel in each relevant jurisdiction for each group of affected Indemnitees that are aligned as to such conflict of

interest, and (y) as to liabilities, damages, claims, costs and expenses arising in connection with the enforcement of the Credit Documents or protection of rights thereunder, the documented fees, disbursements and other charges of (i) one law firm acting as counsel for all affected indemnified persons related to the US Administrative Agent, taken as a whole, and if the Canadian Administrative Agent is not an Affiliate of the US Administrative Agent, one law firm acting as counsel for all affected indemnified persons related to the Canadian Administrative Agent, taken as a whole, (ii) one law firm acting as counsel for all affected Indemnitees related to the Lenders, taken as a whole, (iii) if reasonably necessary, a single local law firm acting as counsel for all affected Indemnitees taken as a whole in each relevant jurisdiction, and (iv) in the case of an actual or perceived conflict of interest, one additional law firm acting as counsel in each relevant jurisdiction for each group of affected Indemnitees that are aligned as to such conflict of interest. Notwithstanding the foregoing, this Section 9.2(a) shall not apply to (1) any Indemnified Taxes that are specifically addressed in Section 2.13, which shall be governed exclusively by Section 2.13 or (2) Excluded Taxes, but this Section 9.2(a) shall apply to any Taxes (other than Indemnified Taxes or Excluded Taxes) which represent losses, claims, damages, etc. arising from any non-Tax claim. No Credit Party shall, nor shall it permit any of its Restricted Subsidiaries to, without the prior written consent of each Indemnitee affected thereby, settle any threatened or pending claim or action that would give rise to the right of any Indemnitee to claim indemnification hereunder unless such settlement (A) includes a full and unconditional release of all liabilities arising out of such claim or action against such Indemnitee, and (B) does not include any statement as to or an admission of fault, culpability or failure to act by or on behalf of such Indemnitee.

(b) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Legal Requirement, no Credit Party shall assert, agrees not to assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Advance or Letter of Credit or the use of the proceeds thereof. To the fullest extent permitted by applicable Legal Requirement, no Indemnitee shall assert, agrees not to assert, and hereby waives, any claim against any Credit Party, or any of their respective Related Parties, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Credit Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Advance or Letter of Credit or the use of the proceeds thereof; provided that nothing contained in this sentence shall limit any Credit Party's indemnification obligations to the extent set forth in Section 9.2(a) above to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is otherwise entitled to indemnification hereunder. No Indemnitee or any other party hereto shall be liable for any damages arising from the use by any Person (other than such Indemnitee or such other party hereto) of any information or other materials distributed to such Persons through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, other than for direct or actual damages resulting from the gross negligence or willful misconduct of, or material breach of its obligations under the Credit Documents by, such Indemnitee or such other party hereto, in each case as determined by a final nonappealable judgment of a court of competent jurisdiction.

(c) Survival. Without prejudice to the survival of any other agreement of the Credit Parties hereunder, the agreements and obligations of the Credit Parties contained in this Section 9.2 shall survive the Termination Date and any termination of this Agreement.

(d) Payments. All amounts due under Section 9.2(a) of indemnified amounts incurred, asserted, or awarded shall be due and payable within 30 days of written demand therefor accompanied by supporting documentation.

(e) Reimbursement by Lenders. To the extent that any Borrower for any reason fails to indefeasibly pay any amount required under Section 9.1 or 9.2 to be paid by it to the applicable Administrative Agent (or any sub-agent thereof), the Issuing Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to such Administrative Agent (or any such sub-agent), the Issuing Lender or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Administrative Agent (or any such sub-agent) or the Issuing Lender in its capacity as such, or against any Related Party of any of the foregoing acting for such Administrative Agent (or any such sub-agent) or Issuing Lender in connection with such capacity. Without prejudice to the survival of any other agreement of the Lenders hereunder, the agreements and obligations of the Lenders contained in this Section 9.2(e) shall survive the Termination Date and any termination of this Agreement.

Section 9.3. Waivers and Amendments. No amendment or waiver of any provision of this Agreement, the Notes, or any other Credit Document (other than the Fee Letter or any AutoBorrow Agreement), nor consent to any departure by any Borrower or any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Lenders and the Borrowers, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that:

(a) no amendment, waiver, or consent shall, unless in writing and signed by the Borrowers, the Majority Lenders, and each of the Lenders directly and adversely affected thereby, do any of the following: (i) postpone or extend the scheduled maturity dates or times for payment of amounts owing to a Lender (but excluding any waivers of the application of the Default Rate) and, it being understood that any change in the definition of any ratio used in the calculation of the rate of interest or fees (or any component definition thereof) shall not constitute a reduction in the rate of interest or fees for purposes of this Section 9.3), (ii) reduce the principal, interest or fees owing to such Lender (but excluding any waivers of the application of the Default Rate) or (iii) reduce any other amounts payable hereunder or under any Credit Document to any such Lender and not covered under the foregoing clause (ii); provided that, in the case of clause (ii) above, the consent of the Administrative Agents shall also be required;

(b) no amendment, waiver, or consent shall, unless in writing and signed by all the Lenders and the Borrowers, do any of the following: (i) waive any of the conditions specified in Section 3.1, (ii) amend Section 2.12(g), Section 7.6, this Section 9.3(b) or any other provision in any Credit Document which expressly requires the consent of, or action or waiver by, all of the Lenders, (iii) release any Guarantor from its obligation under the Guaranty or, except as specifically provided in the Credit Documents and as a result of transactions permitted by the terms of this Agreement, release all or a material portion of the Collateral or subordinate the Liens on all or a material portion of the Collateral, in each case under this clause (iii), except as permitted under Section 8.7(b) or (iv) amend the definitions of "Canadian Majority Lenders", "US Majority Lenders", "Majority Lenders", or "Maximum Exposure Amount";

(c) an amendment to this Agreement solely to amend the necessary provisions of Article 2 to effect and account for a Commitment Increase effected pursuant to Section 2.17 may be entered into so long as such amendment is in writing and signed by the US Borrower or Canadian Borrower, as applicable, the Administrative Agents and the applicable Increasing Lenders and Additional Lenders;

(d) no Commitment of a Lender may be increased or extended without such Lender's written consent;

(e) no amendment, waiver, or consent shall, unless in writing and signed by the applicable Administrative Agent in addition to the Lenders required above to take such action, affect the rights or duties of such Administrative Agent under this Agreement or any other Credit Document;

(f) no amendment, waiver or consent shall, unless in writing and signed by the Issuing Lender in addition to the Lenders required above to take such action, affect the rights or duties of the Issuing Lender under this Agreement or any other Credit Document;

(g) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above to take such action, affect the rights or duties of the Swing Line Lender under this Agreement or any other Credit Document; and

(h) no amendment shall amend the definitions of "Designated Currency" (other than as contemplated within Section 1.6) or Section 1.6 without the written consent of each Lender directly and adversely affected thereby and, to the extent clause (c) of the definition of "Designated Currency" is amended, the Issuing Lender (it being understood and agreed that a change that requires a Lender to fund in a new currency shall be deemed to be adverse to such Lender for the purposes of clause (h)).

For the avoidance of doubt, no Lender or any Affiliate of a Lender shall have any voting rights under this Agreement or any Credit Document as a result of the existence of obligations owed to it under Hedging Arrangements or Banking Services Obligations.

Notwithstanding anything to the contrary contained in this Section 9.3, (a) the Borrowers and the US Administrative Agent may (but are not obligated to), without the input or consent of any other Lender, effect amendments to correct any jointly identified obvious error or any error or omission of a technical nature, in each case, in any provision of the Credit Documents and (b) guarantees, collateral security documents and related documents executed by the Parent or any of its Subsidiaries in connection with this Agreement may be in a form reasonably determined by the US Administrative Agent or the Canadian Administrative Agent, as applicable, and the Borrowers and the US Administrative Agent or the Canadian Administrative Agent, as applicable, may (but are not obligated to) amend, supplement or waive any provision thereof without the consent of any Lender if such amendment, supplement or waiver is delivered in order to (x) comply with local law or advice of local counsel, (y) cure ambiguities, omissions, mistakes or defects as determined by the US Administrative Agent or the Canadian Administrative Agent, as applicable, and the Borrowers or (z) cause such guarantee, collateral security document or other document to be not inconsistent or not in conflict with this Agreement and the other Credit Documents as determined by the US Administrative Agent or the Canadian Administrative Agent, as applicable, and the Borrowers; provided that, the inclusion in such other Credit Document of terms and provisions, rights or remedies in favor of a Lending Party and not addressed in this Agreement shall not be deemed to be in conflict or inconsistent with this Agreement.

Section 9.4. Severability. In case one or more provisions of this Agreement or the other Credit Documents shall be invalid, illegal or unenforceable in any respect under any applicable Legal Requirement, the validity, legality, and enforceability of the remaining provisions contained herein or therein shall not be affected or impaired thereby.

Section 9.5. Survival of Representations and Obligations. All representations and warranties contained in this Agreement or made in writing by or on behalf of the Credit Parties in connection herewith shall survive the execution and delivery of this Agreement and the other Credit Documents, the making of the Advances or the issuance of any Letters of Credit and any investigation made by or on behalf of the Lenders, none of which investigations shall diminish any Lender's right to rely on such representations and warranties; provided that, all such representations and warranties shall terminate on the Termination Date. All obligations of any Borrower or any other Credit Party provided for in Sections 2.8(e), 2.10, 2.11, 2.13, 9.1 and 9.2 and all of the obligations of the Lenders in Sections 8.5, 9.2(a), (b), and (e), 9.8 or 9.12 shall survive any termination of this Agreement and repayment in full of the Obligations; provided that, the Lenders obligations under Section 9.8 shall automatically terminate two years following the date on which this Agreement has been terminated.

Section 9.6. Binding Effect. Subject to the terms of Section 3.1, this Agreement shall become effective when it shall have been executed by the Borrowers and the Administrative Agents, and when the US Administrative Agent shall have, as to each Lender, either received a counterpart hereof executed by such Lender or been notified by such Lender that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrowers, the Administrative Agents, and each Lender and their respective permitted successors and assigns, except that neither Borrower nor any other Credit Party shall have the right to assign its rights or delegate its duties under this Agreement or any other Credit Document or any interest in this Agreement or any other Credit Document without the prior written consent of each Lender, except as otherwise permitted by Section 6.6.

Section 9.7. Lender Assignments and Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except in accordance with this Section 9.7 (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section 9.7 and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agents and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Advances at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitments and/or the Advances at the time owing to it that equal at least the amount specified in paragraph (b)(i)(B) or paragraph (b)(i)(C) of this Section 9.7 in the aggregate or in the case of an assignment to a Lender or an Affiliate of a Lender, no minimum amount need be assigned;

(B) in any case not described in paragraph (b)(i)(A) of this Section 9.7, the aggregate amount of the US Commitment (which for this purpose includes Advances

outstanding thereunder) or, if the US Commitment is not then in effect, the principal outstanding balance of the US Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the US Administrative Agent or, if "Trade Date" is specified in the Assignment and Acceptance, as of the Trade Date) shall not be less than \$3,000,000 unless each of the US Administrative Agent and, so long as no Event of Default has occurred and is then continuing, the US Borrower otherwise consent (each such consent not to be unreasonably withheld or delayed); and

(C) in any case not described in paragraph (b)(i)(A) of this Section 9.7, the aggregate amount of the Canadian Commitment (which for this purpose includes Canadian Advances outstanding thereunder) or, if the Canadian Commitment is not then in effect, the principal outstanding balance of the Canadian Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Canadian Administrative Agent or, if "Trade Date" is specified in the Assignment and Acceptance, as of such Trade Date) shall not be less than \$3,000,000 unless each of the Canadian Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Canadian Borrower otherwise consent (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the applicable Class of Advances and/or the Commitments assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by paragraphs (b)(i)(B) or (b)(i)(C) of this Section 9.7 and, in addition:

(A) the consent of the Borrowers (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment, and (y) such assignment is to a Lender or an Affiliate of a Lender; provided that the Borrowers shall be deemed to have consented to any such assignment unless they shall object thereto by written notice to the US Administrative Agent within 10 days after having received written notice thereof;

(B) the consent of the applicable Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments to any Person that is not a Lender under the respective Facility; and

(C) the consent of the Issuing Lender and Swing Line Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment by any US Facility Lender.

(iv) Assignment and Acceptance. The parties to each assignment shall execute and deliver to the applicable Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee of \$3,500; provided that the applicable Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the applicable Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made to (A) any Credit Party or any of the Credit Parties' Affiliates or Subsidiaries, (B) a natural Person or (C) a Defaulting Lender.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, but without duplication of any requirements under Section 2.14 or Section 2.15, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the applicable Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the applicable Borrower and the applicable Administrative Agent, the applicable pro rata share of Advances previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the applicable Administrative Agent, the Issuing Lender, the Swing Line Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Advances and participations in Letters of Credit and Swing Line Advances in accordance with its Applicable Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Legal Requirement without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the applicable Administrative Agent pursuant to paragraph (c) of this Section 9.7, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of and subject to its obligations under Sections 2.10, 2.11, 2.13, 9.1, 9.2, 9.8 and 9.12 with respect to facts and circumstances occurring prior to the effective date of such assignment and shall continue to be subject to its obligations under Section 2.13(e) and (i) for events and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender; and provided further that, the assigning Lender's obligations under Section 9.8 shall automatically terminate two years following the date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 9.7.

(c) Register. The applicable Administrative Agent, acting solely for this purpose as the non-fiduciary agent of the applicable Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and

addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Advances owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the applicable Borrower, the applicable Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the applicable Borrower and any Lender (but solely as to its own interest), at any reasonable time and from time to time upon reasonable prior notice. Each Borrower hereby agrees that the applicable Administrative Agent acting as its agent solely for the purpose set forth above in this clause (c), shall not subject any Administrative Agent to any fiduciary or other implied duties, all of which are hereby waived by each Borrower.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, any Borrower or any Administrative Agent, sell participations to any Person (other than a natural Person or any Credit Party, any Credit Party's Affiliate or Subsidiary) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitments and/or the Advances owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agents, the Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 8.4 with respect to any payments made by such Lender to its Participant(s). Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the approval of all affected Lenders in accordance with the terms of Section 9.3 that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 2.13 (subject to the requirements and limitations therein, including the requirements under Section 2.13(g) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section); provided that such Participant (A) agrees to be subject to the provisions of Section 2.14 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.11 or 2.13, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the applicable Borrower's request and expense, to use reasonable efforts to cooperate with such Borrower to effectuate the provisions of Section 2.14 with respect to any Participant. To the extent permitted by Legal Requirement, each Participant also shall be entitled to the benefits of Section 7.4 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.12(g) and Section 8.7(c) as though it were a Lender.

Each US Facility Lender that sells a participation shall, acting solely for this purpose as the non-fiduciary agent of the US Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Advances or other obligations under the Credit Documents (the "Participant Register"); provided that no US Facility Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury

Regulations. The entries in the Participant Register shall be conclusive, absent manifest error, and such US Facility Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, no Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. Each Borrower hereby agrees that each Lender acting as its agent solely for the purpose set forth above in this clause (d), shall not subject such Lender to any fiduciary or other implied duties, all of which are hereby waived by each Borrower.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Information. Any Lender may furnish any information concerning the Parent or any of its Subsidiaries in the possession of such Lender from time to time to permitted assignees and Participants (including prospective permitted assignees (other than any Disqualified Institution) and Participants), subject, however, to the provisions of Section 9.8.

(g) Disqualified Institutions, Etc. Notwithstanding anything contained herein, any assignment made to any Person in violation of Section 9.7(b) to a Disqualified Institution without the consent of the US Borrower, in each case, shall be void *ab initio*. In the event of such an assignment in violation of Section 9.7(b), the US Borrower shall be entitled to pursue any remedy available to it (whether at law or in equity, including specific performance to unwind such an assignment or participation) against the assignor Lender or such Disqualified Institution.

Section 9.8. Confidentiality. Each Lending Party agrees to maintain the confidentiality of the Specified Information (as defined below) received by such Lending Party; provided that nothing herein shall prevent any Lending Party from disclosing any such information (a) subject to the final proviso of this paragraph, to any other Lending Party or any Affiliate of any Lending Party (other than any Disqualified Institution), or any officer, director, employee, agent, or advisor of any Lending Party or Affiliate of any Lending Party (other than any Disqualified Institution) for purposes of administering, negotiating, considering, processing, implementing, syndicating, assigning, or evaluating the credit facilities provided herein and the transactions contemplated hereby (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Specified Information and instructed to keep such Specified Information confidential and such Lending Party shall be responsible for such Affiliate's compliance with this Section 9.8), (b) to the extent required by any Legal Requirement (in which case such Lending Party shall, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, promptly notify the US Borrower, in advance, to the extent practicably and lawfully permitted to do so), (c) to the extent required by order of any court or administrative agency (in which case such Lending Party shall, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, promptly notify the US Borrower, in advance, to the extent practicably and lawfully permitted to do so), (d) to the extent required to be disclosed by reason of any request or demand of any regulatory agency or authority having jurisdiction over such Lending Party (including any self-regulatory authority, such as the National Association of Insurance Commissioners) (in which case such Lending Party shall, except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority, promptly notify the US Borrower, in advance, to the extent practicably and lawfully permitted

to do so), (e) to the extent necessary in connection with the exercise of any right or remedy under this Agreement or any other Credit Document, (f) in connection with any litigation relating to this Agreement or any other Credit Document to which such Lending Party is a party, including for purposes of establishing a “due diligence” defense, (g) to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the Facilities and (h) subject to the final proviso of this paragraph, to any actual or proposed Participant, Swap Counterparty or permitted assignee (which permitted assignee does not include any Disqualified Institution unless otherwise consented to by the US Borrower) subject to the acknowledgment and acceptance by such proposed Participant, Swap Counterparty or assignee that such information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the US Borrower and the assigning Lender, including as agreed in any confidential information memorandum or other marketing materials) in accordance with customary market standards for dissemination of such type of information. “Specified Information” means all information concerning the Parent or any of its Subsidiaries that has been made available to the Lending Parties by, or on behalf of, the Parent or any of its Subsidiaries (excluding (i) any such information that is available to such Lending Party on a non-confidential basis and not from a source which, to such Lending Party’s actual knowledge, has violated a duty of confidentiality to the Parent or any of its Subsidiaries as to such information, and (ii) any information that is or becomes generally available to the public other than as a result of disclosure by any other Lending Party or any of its Affiliates or Related Parties prohibited by this Agreement). **NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, nothing in this Agreement shall (i) restrict any Lending Party from providing information to any banking or other regulatory or governmental authorities having jurisdiction over such Lending Party, including the Federal Reserve Board and its supervisory staff; (ii) require or permit any Lending Party to disclose to any Credit Party or any Affiliate thereof that any information will be or was provided to the Federal Reserve Board or any of its supervisory staff; or (iii) require or permit any Lending Party to inform any Credit Party or any Affiliate thereof of a current or upcoming Federal Reserve Board examination or any nonpublic Federal Reserve Board supervisory initiative or action.**

Section 9.9. Notices, Etc.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail (including via any “.pdf” or other similar electronic means) as follows: (i) if to any Borrower or any Credit Party, any Administrative Agent, the Issuing Lender or the Swing Line Lender, at the applicable address, e-mail address or facsimile numbers as set forth on Schedule III, and (ii) if to a Lender, to it at its address, e-mail address or facsimile number as set forth in its Administrative Questionnaire. Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient); notices sent by electronic mail to any Administrative Agent or to any Credit Party shall be deemed to have been given upon the sender’s receipt of an acknowledgment from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement). Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications.

(i) The Credit Parties and the Lenders agree that the Administrative Agents may make any material delivered by any Credit Party to the Administrative Agents, as well as any amendments, waivers, consents, and other written information, documents, instruments and other materials relating to the Parent, any of its Subsidiaries, or any other materials or matters relating to this Agreement or any of the transactions contemplated hereby (collectively, the “Communications”) available to the Lenders by posting such notices on an electronic delivery system (which may be provided by the Administrative Agents, an Affiliate of an Administrative Agent, or any Person that is not an Affiliate of an Administrative Agent), such as Syndtrak, or a substantially similar electronic system (the “Platform”). Each Credit Party acknowledges that (i) the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution, (ii) the Platform is provided “as is” and “as available” and (iii) neither Administrative Agent nor any of its Affiliates warrants the accuracy, completeness, timeliness, sufficiency, or sequencing of the Communications posted on the Platform. Each Administrative Agent and its Affiliates expressly disclaim with respect to the Platform any liability for errors in transmission, incorrect or incomplete downloading, delays in posting or delivery, or problems accessing the Communications posted on the Platform and any liability for any losses, costs, expenses or liabilities that may be suffered or incurred in connection with the Platform. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Administrative Agent or any of its Affiliates in connection with the Platform. In no event shall any Administrative Agent or any of its Related Parties have any liability to any Credit Party, any Affiliate of a Credit Party, any Lending Party or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Credit Party’s, any Credit Party’s Affiliate’s or any Lending Party’s transmission of communications through the Platform except to the extent such damages arise out of the Administrative Agents’ (or any of its Related parties’) bad faith, willful misconduct or gross negligence in each case as determined by a final non-appealable order of a court of competent jurisdiction.

(ii) Each Lender agrees that notice to it specifying that any Communication has been posted to the Platform (a “Notice”) shall for purposes of this Agreement constitute effective delivery to such Lender of such information, documents or other materials comprising such Communication. Each Lender agrees (i) to notify, on or before the date such Lender becomes a party to this Agreement, the applicable Administrative Agent in writing of such Lender’s e-mail address to which a Notice may be sent (and from time to time thereafter to ensure that the Agent has on record an effective e-mail address for such Lender) and (ii) that any Notice may be sent to such e-mail address.

(c) Change of Address, Etc. Any party hereto may change its address, e-mail address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

Section 9.10. Usury Not Intended. It is the intent of each Credit Party and each Lender in the execution and performance of this Agreement and the other Credit Documents to contract in strict compliance with applicable usury laws, including conflicts of law concepts, governing the Advances of each Lender including such applicable laws of the State of New York, if any, and the United States of America from time to time in effect. In furtherance thereof, the Lenders and the Credit Parties stipulate and agree that none of the terms and provisions contained in this Agreement or the other Credit Documents shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the Maximum Rate and that for purposes of this

Agreement “interest” shall include the aggregate of all charges which constitute interest under such laws that are contracted for, charged or received under this Agreement; and in the event that, notwithstanding the foregoing, under any circumstances the aggregate amounts taken, reserved, charged, received or paid on the Advances, include amounts which by applicable law are deemed interest which would exceed the Maximum Rate, then such excess shall be deemed to be a mistake and each Lender receiving same shall credit the same on the principal of its Obligations (or if such Obligations shall have been paid in full, refund said excess to the US Borrower). In the event that the maturity of the Obligations are accelerated by reason of any election of an Administrative Agent (including at the instruction of the Majority Lenders) resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest may never include more than the Maximum Rate, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited on the applicable Obligations (or, if the applicable Obligations shall have been paid in full, refunded to the US Borrower of such interest). In determining whether or not the interest paid or payable under any specific contingencies exceeds the Maximum Rate, the Credit Parties and the Lenders shall to the maximum extent permitted under applicable law amortize, prorate, allocate and spread in equal parts during the period of the full stated term of the Obligations all amounts considered to be interest under applicable law at any time contracted for, charged, received or reserved in connection with the Obligations. The provisions of this Section 9.10 shall control over all other provisions of this Agreement or the other Credit Documents which may be in apparent conflict herewith. Notwithstanding any other provision of this Agreement or any Credit Document, no Credit Party existing under the laws of Canada or any province or territory of Canada shall be obligated to make any payments of interest or other amounts payable to the Lending Parties in excess of an amount or rate which would be prohibited by law or would result in the receipt by the Lending Parties of interest at a criminal rate (as such terms are construed under the *Criminal Code (Canada)*).

Section 9.11. Usury Recapture. In the event the rate of interest chargeable under this Agreement at any time is greater than the Maximum Rate, the unpaid principal amount of the Advances shall bear interest at the Maximum Rate until the total amount of interest paid or accrued on the Advances equals the amount of interest which would have been paid or accrued on the Advances if the stated rates of interest set forth in this Agreement had at all times been in effect. In the event, upon payment in full of the Advances, the total amount of interest paid or accrued under the terms of this Agreement and the Advances is less than the total amount of interest which would have been paid or accrued if the rates of interest set forth in this Agreement had, at all times, been in effect, then the applicable Borrower shall, to the extent permitted by applicable law, pay the applicable Administrative Agent for the account of the Lenders an amount equal to the difference between (i) the lesser of (A) the amount of interest which would have been charged on its Advances if the Maximum Rate had, at all times, been in effect and (B) the amount of interest which would have accrued on its Advances if the rates of interest set forth in this Agreement had at all times been in effect and (ii) the amount of interest actually paid under this Agreement on its Advances. In the event the Lenders ever receive, collect or apply as interest any sum in excess of the Maximum Rate, such excess amount shall, to the extent permitted by law, be applied to the reduction of the principal balance of the Advances, and if no such principal is then outstanding, such excess or part thereof remaining shall be paid to the applicable Borrower.

Section 9.12. Payments Set Aside. To the extent that any payment by or on behalf of the applicable Borrower is made to the applicable Administrative Agent, Issuing Lender or any Lender, or the applicable Administrative Agent, Issuing Lender or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the applicable Administrative Agent, Issuing Lender or such Lender in its discretion) to be repaid to a trustee,

receiver or any other party, in connection with any proceeding under any bankruptcy or other laws for the relief of debtors or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred (except that interest and fees shall not accrue on such amount during the period between the time of payment and the revival of such payment obligation), and (b) each Lender and the Issuing Lender severally agrees to pay to the applicable Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the applicable Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Overnight Rate in effect from time to time, in the applicable currency of such recovery or payment. The obligations of the Lenders and the Issuing Lender under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 9.13. Governing Law. This Agreement and the other Credit Documents (unless otherwise expressly provided therein) shall be deemed a contract under, and shall be governed by, and construed and enforced in accordance with, the laws of the State of New York applicable to contracts made and to be performed entirely within such state, without regard to conflicts of laws principles (other than Section 5-1401 and Section 5-1402 of the General Obligations Law of the State of New York). Each Letter of Credit shall be governed by either (i) the Uniform Customs and Practice for Documentary Credits (2007 Revision), International Chamber of Commerce Publication No. 600, or (ii) the International Standby Practices (ISP98), International Chamber of Commerce Publication No. 590, in either case, including any subsequent revisions thereof approved by a Congress of the International Chamber of Commerce.

Section 9.14. Submission to Jurisdiction; Waiver of Venue; Appointment of Agent for Service of Process. Subject to the last sentence of this Section 9.14, the parties hereto hereby agree that any suit or proceeding arising in respect of this Agreement, or any of the matters contemplated hereby or thereby will be tried exclusively in the U.S. District Court for the Southern District of New York or, if such court does not have subject matter jurisdiction, in any state court located in the Borough of Manhattan, and the parties hereto hereby agree to submit to the exclusive jurisdiction of, and venue in, such court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law. The parties hereto hereby agree that service of any process, summons, notice or document by registered mail addressed to the applicable parties at the address specified in Section 9.9, and as to the Process Agent (referred to below), as provided below, will be effective service of process against such party for any action or proceeding relating to any such dispute. Nothing in this Section 9.14 shall affect the rights of any party hereto to serve legal process in any other manner permitted by applicable law. Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable Legal Requirement, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement in any court referred to in this Section 9.14. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable Legal Requirement, the defense of any inconvenient forum to the maintenance of such action or proceeding in any such court. Each Credit Party that is a party hereto and that is not organized under the laws of the United States, any state of the United States or the District of Columbia (each, a "Foreign Credit Party") does hereby irrevocably appoint the US Borrower (the "Process Agent"), with an office on the date hereof at the address specified in Section 9.9, as its agent to receive on its behalf service of copies of any summons or complaint or any other process which may be served in any action arising under or in connection with any Credit Document. Such service may be made by mailing or delivering a copy of such process to any Foreign Credit Party in care of the Process Agent at the Process Agent's address as provided herein, and each Foreign Credit Party hereby irrevocably authorizes and directs the Process

Agent to receive such service on its behalf. Notwithstanding the foregoing, the parties agree that each Secured Party retains the right to bring proceedings against any Credit Party in the courts of any other competent jurisdiction solely in connection with the exercise of any rights and remedies under any Credit Document and any rights and remedies available under applicable law in connection with the Credit Documents.

Section 9.15. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or by e-mail "PDF" copy shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.16. Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.17. Waiver of Jury. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.17.

Section 9.18. USA Patriot Act. Each Lender that is subject to the Patriot Act and the US Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies such Credit Party, which information includes the name and address of such Credit Party and other information that will allow such Lender or the US Administrative Agent, as applicable, to identify such Credit Party in accordance with the Patriot Act. Following a request by any Secured Party, each Credit Party shall promptly furnish all documentation and other information that such Secured Party reasonably requests in order to comply with its ongoing obligations under the applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act.

Section 9.19. Conflicts with Other Credit Documents. To the fullest extent possible, the terms and provisions of this Agreement shall be read together with the terms and provisions of the other Credit Documents so that the terms and provisions of this Agreement do not conflict with the terms and provisions of the other Credit Documents; provided, however, notwithstanding the foregoing and other than as to the AutoBorrow Agreement, in the event that any of the terms or

provisions of this Agreement conflict or are inconsistent with any terms or provisions of any other Credit Document, the terms or provisions of this Agreement shall govern and control for all purposes; provided that the inclusion in any other Credit Document of terms and provisions, and supplemental rights or remedies in favor of the Administrative Agents, which are not addressed in this Agreement shall not be deemed to be in conflict with this Agreement and all such additional terms, provisions, supplemental rights or remedies in the other Credit Documents shall be given full force and effect.

Section 9.20. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Credit Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the US Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of any Borrower in respect of any such sum due from it to any Secured Party hereunder or under the other Credit Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the such Secured Party, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the such Secured Party, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to any Secured Party from the applicable Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Secured Party, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to any Secured Party in such currency, such Secured Party, as the case may be, agrees to return the amount of any excess to such Borrower (or to any other Person who may be entitled thereto under applicable Legal Requirement).

Section 9.21. Subordination Agreements. Each Administrative Agent is hereby authorized on behalf of the Lenders, the Swing Line Lender and the Issuing Lender to enter into subordination agreements which contain the terms substantially similar to those set forth under Schedule 6.19 hereof. A copy of each such subordination agreement will be made available to each Secured Party upon request. Each Secured Party (by receiving the benefits thereunder and of the Collateral) acknowledges and agrees to the terms of such subordination agreements and agrees that the terms thereof shall be binding on such Secured Party and its successors and assigns, as if it were a party thereto.

Section 9.22. Confirmation of Flood Policies and Procedures. Wells Fargo has adopted internal policies and procedures that address requirements placed on federally regulated lenders under the National Flood Insurance Reform Act of 1994 and related legislation (the "Flood Laws"). Wells Fargo, as Administrative Agent, will post on the applicable electronic platform (or otherwise distribute to each Lender) documents that it receives in connection with the Flood Laws; however, Wells Fargo reminds each Lender and Participant that, pursuant to the Flood Laws, each federally regulated Lender (whether acting as a Lender or Participant) is responsible for assuring its own compliance with the flood insurance requirements.

Section 9.23. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Credit Party to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 9.23 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 9.23, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force

and effect until the termination of all Commitments and payment in full of all Secured Obligations (other than contingent indemnification obligations) and the expiration or termination of all Letters of Credit (other than Letters of Credit as to which other arrangements satisfactory to the US Administrative Agent and the Issuing Lender have been made). Each Qualified ECP Guarantor intends that this Section 9.23 constitute, and this Section 9.23 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Credit Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Section 9.24. No Fiduciary Duty. Notwithstanding anything herein or in any other Credit Document to the contrary, in connection with, or in any way related to, this Agreement and the transactions contemplated hereby (including the Transactions), each Borrower hereby acknowledges and agrees that: (a) each Secured Party is, has been, and will be acting solely as a principal and not as a financial advisor, agent or fiduciary, for any Borrower or any of any Borrower’s respective affiliates, equity holders, directors, officers, employees, creditors or any other Person except as to maintaining a register as provided in Section 9.7 as a non-fiduciary agent of the applicable Borrower for that limited purpose, (b) no Secured Party or any Affiliate thereof has assumed or will assume an advisory, agency or fiduciary responsibility in any Borrower’s or any of any Borrower’s respective Affiliates’ favor with respect to this Agreement or any of the transactions contemplated hereby (including the Transactions) or the process leading thereto (irrespective of whether any Secured Party or any of its Affiliates has advised or is currently advising any Borrower or any of any Borrower’s respective Affiliates on other matters), and (c) no Secured Party has provided any legal, accounting, regulatory or tax advice with respect to this Agreement or any of the transactions contemplated hereby (including the Transactions) and the Borrowers have consulted with their own legal, accounting, regulatory and tax advisors to the extent the Borrowers has deemed appropriate. Each Borrower hereby waives and releases, to the fullest extent permitted by Legal Requirement, any claims that such Borrower may have against any Secured Party and their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty.

Section 9.25. Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Advances in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the applicable Borrower, the applicable Administrative Agent and such Lender.

Section 9.26. Amendment and Restatement. The US Borrower, the Canadian Borrower, the Swing Line Lender, the Issuing Lender, the other Lenders party hereto, the US Administrative Agent, and Canadian Administrative Agent have agreed that this Agreement is an amendment and restatement of the Existing Credit Agreement in its entirety, and this Agreement is not a novation of the Existing Credit Agreement. The parties hereto acknowledge and agree that, effective as of the Closing Date, the Term Facility (as defined in the Existing Credit Agreement) is terminated. The outstanding commitments under the Existing Credit Agreement have been assigned, renewed, extended, modified, and rearranged as US Commitments under and pursuant to the terms of this Agreement. Certain of the US Facility Lenders (as Lenders under the Existing Credit Agreement) have agreed among themselves, in consultation with the US Borrower, to adjust their respective Commitments and to terminate the commitments of certain lenders under the Existing Credit Agreement who will not become a Lender hereunder (each an “Exiting Lender”). The US Administrative Agent, the US Facility Lenders, the US Borrower and each Exiting Lender (by receipt of the payment in full of the Advances as defined in, and owing to it under, the Existing Credit Agreement and, at such Exiting Lender’s request, under a separate exiting agreement executed by such Exiting Lender) consented to such reallocation and each Existing Lender’s adjustment of, and each Existing Lender’s assignment of, an interest in the commitments and the Existing Lenders’ partial assignments of their respective commitments. On the Closing Date, and after giving effect to such

reallocations, adjustments, assignments and decreases, the US Commitment of each US Facility Lender shall be as set forth on Schedule II. The US Facility Lenders shall make all appropriate adjustments and payments between and among themselves to account for the revised pro rata shares resulting from the initial allocation of the US Facility Lenders' commitments under the Existing Credit Agreement to under this Agreement. The US Borrower and each Lender party hereto that was a "Lender" under the Existing Credit Agreement hereby agrees and this Section 9.26 and any exiting agreement executed by an Exiting Lender that is acceptable to the US Administrative Agent and the US Borrower shall be deemed approved assignment forms as required under the Existing Credit Agreement.

Section 9.27. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding of the parties hereto, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 9.28. Integration. **THIS WRITTEN AGREEMENT AND THE CREDIT DOCUMENTS, AS DEFINED IN THIS AGREEMENT, REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES AND SUPERSEDE ALL PRIOR UNDERSTANDINGS AND AGREEMENTS, WHETHER WRITTEN OR ORAL, RELATING TO THE TRANSACTIONS PROVIDED FOR HEREIN AND THEREIN. ADDITIONALLY, THIS AGREEMENT AND THE CREDIT DOCUMENTS MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.**

THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

IN EXECUTING THIS AGREEMENT, THE BORROWER HEREBY WARRANTS AND REPRESENTS IT IS NOT RELYING ON ANY STATEMENT OR REPRESENTATION OTHER THAN THOSE IN THIS AGREEMENT AND IS RELYING UPON ITS OWN JUDGMENT AND ADVICE OF ITS ATTORNEYS.

SCHEDULE I

Pricing Schedule

The Applicable Margin with respect to the Commitment Fees, US Advances, Swing Line Advances (if applicable), and the Canadian Advances (if any) shall be determined in accordance with the following Table based on the Leverage Ratio as reflected in the Compliance Certificate delivered in connection with the Financial Statements most recently delivered pursuant to Section 5.2. Adjustments, if any, to such Applicable Margin shall be effective on the date the US Administrative Agent receives the applicable Financial Statements and corresponding Compliance Certificate as required by the terms of this Agreement; provided that no such change shall affect the Applicable Margin for any outstanding B/A Advances until the end of the then-current term for such B/A Advance. Notwithstanding the foregoing, the Borrower shall be deemed to be at Level IV from the Closing Date until delivery of its unaudited Financial Statements and corresponding Compliance Certificate for the fiscal quarter ending June 30, 2017. If the Borrower fails to deliver the Financial Statements and corresponding Compliance Certificate to the US Administrative Agent at the time required pursuant to Section 5.2, then effective as of the date such Financial Statements and Compliance Certificate were required to be delivered pursuant to Section 5.2, the Applicable Margin with respect to Commitment Fees, US Advances, Swing Line Advances (if applicable) and Canadian Advances (if any) shall be determined at Level IV and shall remain at such level until the date such Financial Statements and corresponding Compliance Certificate are so delivered by the US Borrower. Notwithstanding anything to the contrary contained herein, the determination of the Applicable Margin for any period shall be subject to the provisions of Section 2.8I. For the avoidance of doubt, the levels on the pricing grid set forth below are set forth from the lowest (Level I) to the highest (Level IV).
